Brian Bagley
May 14, 2013

WLC News:

Progress Reports were sent home on Tuesday May 7th

Junior Prom was held at Alpine Grove in Hollis on May 10th

Fifth Grade Step-up Day is scheduled for May 21st. For students the time will be 1:15-2:45pm. Parent/student time will be 6-7pm.

Top 10 Luncheon will be held on Thursday May 30th

Pot Luck Dinner: The junior class will host a pot-luck dinner for the senior class on Thursday May 30th at 5:00

Awards Night for the Senior Class will be held on Thursday May 30th at 6:30. Local scholarships will be handed out at this event.

Eighth Grade Graduation will be held on Thursday June 6th at 6:00. There will be a dance that follows the ceremony for the eighth grade only.

High School Graduation will be held on Friday June 7th at 7:00 in the gym.

Yearbooks are still available

Competency Committee Report:

- a. Next Competency Committee Meeting will be May 23 at 3 PM. Begin planning for next year (Power School and teacher remediation policies/plans).
- b. Presentation to WLC School Board May 28th
- c. Next PLC Meetings will take place May 21. There will be a discussion about the presentation and other questions that people might have concerning competencies.

Washington DC 8th Grade Trip: Because the trip has become so expensive and the number of students attending has declined over the past several years we're investigating the option of an outside agency (Cheshire YMCA) to organize and run future trips. I'm hoping to have a representative from Cheshire YMCA attend a future Board Meeting this summer to explain the process.

Alternative Education Program: We're continuing to pursue an alternative way of meeting the needs of all students. We will keep you updated as we move forward.

Plans for May 15th Early Release Day:

- a. *Power School Training:* The Competency Committee will present to the staff how to enter competency grades, how to look at a summary of these grades on the screen, how to print a report of the competency grades, how to set up the calculation methods, and what those calculation methods are. Teachers will also learn how

- Power School calculates the final competency grades. There will be a discussion about providing information for a department-level discussion about how to determine which calculate method is the right one for each department/teacher.*
- b. Teachers will continue to work on their Curriculum Guides*
