

# We're Going Back To School

## Welcome to Florence Rideout Elementary School

FRES is a small, engaging school community that provides a safe and nurturing learning environment where all students can learn and grow. FRES provides a rigorous curriculum and rich learning experiences that meet the needs of every student to ensure that every student reaches his/her full potential. Including the parents, families and community members of Wilton and Lyndeborough, NH, our extended learning community plays an essential role in the ultimate success of our students.
