

## HOME-SCHOOL COMPACT

### As a Title I Teacher, I will strive to.....

- encourage my students to believe in themselves and understand if they do their best they will see progress
- provide a safe, positive, and welcoming learning environment
- focus on each student's academic needs during Title I tutoring sessions
- coordinate Title I and classroom schedules to the best advantage of the student
- encourage my students to set realistic goals and try their best to achieve those goals
- make sure my students understand what is being asked of them
- help my students to formulate questions to find the correct answers
- maintain an "Open Door" policy & encourage parents to take an active part in their child's Title I Program
- provide parents with on-going assessments of their child's progress through triannual progress reports, parent conferences, and any other means necessary

### As a parent/guardian, I will strive to.....

- encourage my child to believe in him/herself
- encourage my child to ask for help when needed
- communicate with my child to read whenever he/she can
- try to instill in my child the importance of education by reading and demonstrating good study habits
- encourage my student to try their best to achieve realistic goals
- set aside a quiet, distraction-free place & time for study
- be available to help my student with homework

### As a student, I will strive to.....

- believe in myself and give myself credit for having tried my best
- do my best work at all times
- ask for help when I don't understand
- complete my assignments to the best of my ability
- make reading enjoyable by choosing reading materials that interest me
- set realistic goals for myself and try my best to achieve them
- come to school prepared and ready to learn
