Student Athletes of the Week

Female Student Athlete of the Week: *Mckenna Crouse: “Her attitude was positive and receptive of her feedback during practice. She has played a consistently good first base and during our game Wednesday, she kicked off a six run inning with a well placed, hard liner for an inside the park home run to help lead us to the win.” - Coach Tom Crowley*

Male Student Athlete of the Week: *Henry Alley: “ he has shown incredible determination while adapting to track and field, learning new events, like shot put, and relays with focus and persistence. Despite the steep learning curve and physical demands, Henry has continued to push himself without ever giving up. His commitment and resilience have been evident at every practice, meet, and moment of growth.” - Coach Howard Ray*

MS Female Student Athlete of the Week: *Abby Hall: “This is Abby’s first season as a full time catcher for the middle school girls softball team and you would never know it! She has worked extremely hard all pre-season and the work is paying off. Opposing teams are thinking twice to attempt stealing on her, due to her arm strength and accuracy. In Thursday’s game against undefeated Hopkinton, with one out and bases loaded, the ball was hit back to the pitcher (Gabby Abasciano), and she threw back to Abby to get the out at home, stopping the run from scoring. Abby quickly looked down to first base and fired a rocket to Maddie Smith to register the third out, ending the inning and completing the difficult “one, two, three” double play. Abby is also a team co-captain and a big leader in the dugout, keeping the girls focused and motivated.” - Coach Norman Hall*

MS Male Student Athlete of the Week: *Ezra Meltzer: “Ezra really has been on a tear all season batting 727, 750 on base percentage, pitched in 3 of 4 games. He also played 3 games during April break for varsity where he had a hit, 1 RBI, and 5 walks while starting 3 games at second base.” - Coach Adam Lavallee*

Outstanding job warriors!

A Message to Parents & Guardians: Transportation Help Needed

Dear Parents and Guardians,

As we move into spring sports, unpredictable weather can lead to last-minute game changes. Rescheduling transportation—especially when buses are unavailable—can be a real challenge.

If you're able, **please consider becoming an approved driver.** Your help ensures our athletes can get to their games and compete—rain or shine.

Thank you for your continued support of our programs and student-athletes!
