

Wilton-Lyndeborough Cooperative High School Graduation Requirements

Students must earn 24 credits to graduate with a Wilton-Lyndeborough Cooperative High School Diploma. This diploma indicates that the student has completed a rigorous high school curriculum which exceeds the state requirements. The following courses are graduation requirements. The credit given for each course is included with the respective course description.

Students, who have not met the 24 credit requirement, will not receive a diploma at graduation. Any senior taking online course(s) MUST complete and receive a grade prior to graduation in order to walk at graduation

Note: A course cannot be used to earn credit in more than one category.
