Hours: 7:40 AM to 3:00 PM

Counselors work closely with students, as well as parents and staff. Utilizing leadership, advocacy, and collaboration, school counselors promote student success, provide preventive services, and respond to identified student needs by implementing a comprehensive school counseling program that addresses academic, career, and personal/social development for all students.

Appointments can be made to see the school counselor at pre-arranged times. In an emergency, no appointment is necessary.
Library/Media Center

(Extension 2123)
Hours: 7:40 AM to 3:00 PM

The library offers books, magazines, newspapers, computers and internet resources to all students and staff. There is a professional collection of books, magazines and audiovisuals. Suggestions are always welcome.

The media specialist will be available at certain times of the day. These times will be posted on the door weekly. The Media Specialist is there to assist in locating, selecting and utilizing information. The library is a quiet area for individual or group research, study and reflection.

Extra Help

Hours: 2:50-3:50 PM Monday, Tuesday, Thursday

During this time, there will be a WLC teacher available to support students with their academics in the media center. Teachers may ask students to attend or students may attend on their own.

Nurse/Health Office

(Extension 2126)
Hours: 7:40 AM to 3:00 PM

School Nurse Motto: Keeping students Healthy, Safe and Ready to Learn.

The nurse’s office is adjacent to the front office. Students who are ill or injured will report to the nurse or the school secretary if the nurse is not available. This is also the place to come for health information, area clinics, immunization requirements etc.
Nurse/Health Office Policies

Immunizations for School Entrance
All students must be immunized prior to school entrance according to the New Hampshire State Public Health Agency. Evidence from a health care provider or completion of these requirements must be submitted to the school nurse prior to the student entering school. No child may be enrolled in school without first presenting an immunization record, or a medical or religious exemption.

Any student may be exempt from the above regulation if a health care provider presents evidence stating that the immunization is detrimental to the child’s health. The exemption must state the duration of the exemption. Exemption from immunization for one disease shall not affect other required immunizations.

A student may be exempt from immunization for religious reasons at the discretion of the school nurse upon receipt of a notarized letter, signed by the parent or legal guardian, which states that the student hasn’t been immunized because of religious beliefs.

Physical Examinations
All students entering Wilton Lyndeborough Cooperative Middle School / High School for the first time must show proof of completion of a medical examination by a health care provider within one year preceding first entry to school. The Wilton Lyndeborough Cooperative School Board recommends that physical exams also be completed before entry into middle school and again before high school. No medical examination shall be required of a child whose parent or guardian objects thereto in writing on the grounds that such a medical examination is contrary to his/her religious tenets and teachings.

Students transferring into Wilton Lyndeborough Middle / High School must also submit proof of meeting the physical examination prior to or upon first entry into the District’s schools. Failure to comply with this provision may result in exclusion from school for the child.

Medication Policy
The following have been adopted for the administering of medication at school:
1. All medication must be brought into school by parents in the original container, clearly marked with the child’s name and instructions on how to be administered along with written permission from the parent and a written order by the provider.
2. PRESCRIBED MEDICATIONS should not be taken during school hours unless it is impossible to achieve medical regimen at home. Medications to be given three times a day can be given every eight hours, and thus will not have to be given at school.
3. NON-PRESCRIBED MEDICATIONS will not be encouraged for use by students. Over the Counter (OTC) medications require a written consent from parent/guardian in order for the nurse to administer. No phone permissions will be accepted. OTC medication List is available on the Annual Student Health Assessment Record completed by the parent / guardian.
4. The school nurse or designee, assigned by the nurse, shall assist all students in the School
District who are required to take medication prescribed by a health care provider during the school day.

5. The school nurse or designee, assigned by the nurse, shall be responsible for administering and observing the taking of medication.

6. All medication shall be stored in a locked cabinet in the nurse’s office. Unused medications shall be picked up by a parent/guardian or disposed of by the school nurse at the end of the school year.

7. All medication shall be recorded daily in the school nurse’s database. Medications given for chronic conditions will be recorded annually on student’s health record.

8. The school nurse will keep an updated Epi-Pen on hand in case of emergency. All school personnel have been instructed in its use.

9. Medication prescribed for asthma and severe allergic reactions (inhaler, Epi-Pens, or other medications) may be kept in the student’s possession provided the health care provider’s prescription for the medication, the directive for self-administration, and the attached written permission from the parent/guardian are on file in the Health Office. The school nurse shall determine if the student demonstrates the maturity necessary to assume responsibility for correct storage and use of the medication and shall document this ability.

10. RSA 508:12 EMERGENCY CARE. If any person in good faith renders emergency care at the place of emergency, or while in transit in an ambulance or rescue vehicle, to a person who is in urgent need of care as a result of the emergency, and if the acts of care are made in good faith and without willful or wanted negligence, the person who renders the care is not liable in civil damages for his/her acts or omissions in rendering the care, as long as he/she receives no direct compensation for the care from or on behalf of the person cared for. Any person rendering emergency care shall have the duty to place the injured person under the care of a physician, nurse, or other person qualified to care for such person as soon as possible and to obey the instructions of such a qualified person.

**Illness at School**

In case your child becomes ill at school, we will make every effort to contact you. You will be receiving an “Emergency Information/Health” form at the beginning of the school year. We ask for your cooperation in furnishing a name and telephone number to call in case you are not a home. It is important to inform us of any changes in order to provide us with the most current contact information during the school year. A child sent home with a fever of 100 degrees or higher, or vomiting should be kept at home for at least 24 hours after his/her temperature is normal or vomiting has stopped without the use of fever reducing medications.

**Food Allergies**

Wilton Lyndeborough Middle / High School is a food allergy aware school. (see School Board Policy JAA).

**Head Lice (Pediculosis)**

The School nurse will notify the parent/guardian by telephone or other available means if their child is found to have head lice. Verbal and written instructions for treatment will be given to the family of each identified student. Instructions will include recommendations for treatment that are consistent with NH Department of Health and Human Services.
recommendations. The affected student will be sent home at the conclusion of the school day, based upon the school nurse’s recommendation.

Criteria for return to school:
Students will be allowed to return to school after proper treatment as recommended by the school nurse / physician. The Board recognizes that the American Academy of Pediatrics and the National Association of School Nurses discourage “no nit” policies. In alignment with these recommendations, no student will be excluded from attendance solely based on grounds that nits may be present. The school nurse may recheck a child’s head. In addition, the school nurse may offer extra help or information to families of children who are repeatedly or chronically infested.

Screenings – Hearing & Vision
Screenings are conducted on an as needed basis and / or if requested by the student / parent or teacher. School screenings are not a substitute for a complete professional examination. All screening failures will be reported to parent / guardian.

Graduation and Promotion Requirements

Academic Expectations & Regulations (see Program of Studies for more information)

High School Graduation Requirements
The Class of 2020 will require 24 credit hours and 24 hours of community service to earn a WLC Diploma. Please refer to the Program of Studies (Page 5) for specific course requirements for graduation and diploma types.

Promotion - Middle School
Promotion/retention will be determined by a team which includes; teachers, administrators, school counseling, special education, if necessary and parents/guardians. All necessary information will be gathered and reviewed to help determine the best option for the student. Decisions will be made on a case by case basis.

Promotion - High School
Students will be classified by grade according to the number of credits they have earned as follows:

Freshman - successful completion of grade eight
Sophomore - six (6) credits completed
Junior - twelve (12) credits completed
Senior - eighteen (18) credits completed
Graduate - twenty four (24) credits and 24 hours of community service completed.
ATTENDANCE: Absences, Dismissals and Attendance Failures

New Hampshire State law requires the parents of each school age child (ages 6 through 18) to assure that the child attends school full time. Absences without justification may constitute truancy. In addition, pursuant to WLC School Board Policy, a student who misses any class 7 or more times in a single quarter or equivalent time frame, can receive an Attendance “F” or Failure for that class. See “Attendance Failures” section below.

Some types of absences may be considered “excused” and may not count toward the maximum of 6-day absence attendance failure. Some examples of excused absences include: Medical reasons, court appearances, school field trips or other activities, religious holidays, and college visits. (A full list is below.)

Other types of “absences”, including some tardies and dismissals, are presumed to be “unexcused”. (A full list is below). A student who is marked as having one or more unexcused absences on any given day will be barred from participating in any extra/co-curricular activities (sports, clubs, concerts, etc.), or other school functions (dances, etc.) that day, or that evening. If the unexcused absence occurs on a Friday or other last day of school that week, the student will be barred for any such activities occurring over the weekend or vacation period. Additionally, at the discretion of the classroom teacher, the student might receive credit for any makeup work from the missed class. ALL absences are deemed unexcused unless and until the School receives proper verification (as determined by the Principal).

ATTENDANCE FAILURES

Under WLC School Board Policy JH, students who miss 7 or more classes in an academic quarter or equivalent time frame may receive an “attendance failure” for that class.

Unless an absence is an “Excused Absence” (see categories below), the absence will count toward the maximum of 6. Note: some tardies and some dismissals may also count toward the maximum. (See below.) An attendance failure shall have a letter grade of “F”, and a numerical grade of 64% or the actual grade, whichever is lower. Administrative attendance failures will be designated as such on report cards/transcripts. High school students may earn credit for courses if they demonstrate passing the competencies for these courses.

NOTICES.

Although each student has the primary responsibility of being aware of the number of his or her classroom absences, in most instances the parent/student will receive notice from the school before the 7th absence. However, if the 7th absence occurs within 5 days before the end of the quarter or equivalent time frame, the parent/student will most likely not receive timely notice.

APPEALS.

Detailed rules/procedures relating to attendance appeals may be obtained from the Principal’s office. Generally, however, a student/parent may appeal:

(a) a determination that a specific absence/tardy, etc. was unexcused;
(b) a determination that an absence occurred at all;
(c) whether extreme circumstances exist which make strict application of the Attendance Rules and Policy inappropriate with respect to one or more absences or an Attendance Failure.

Students are expected to be in their assigned classroom before the 7:55 AM late bell. Students who arrive late (at or beyond the 7:55 bell) to school must sign in at the office. An office late pass will be issued to them.

When a student arrives to school tardy without a parent note or unaccompanied by a parent, an unexcused tardy will be documented. Students are allowed up to 3 unexcused tardies per quarter. Students exceeding 3 tardies during the quarter will be assigned an office detention for each unexcused tardy for the remainder of the quarter. A student may present a note excusing a tardy the following day.

Whether excused or unexcused, excessive tardiness will be addressed on a case-by-case basis with possible disciplinary action.

**Entering or Leaving the Building**

- To ensure the safety of our students, all students, except those arriving by bus will enter the school through the Main Lobby entrance.

- The school is open each day at 7:30 AM.

- High School students arriving prior to 7:45 must remain in the high school hallways. Only those high school students who buy breakfast may be in the cafeteria.

**No School Policy**

The policy for NO SCHOOL is geared to the safety of the children. Generally, if the buses can operate safely, school will be in session. However, it is expected that if any parent/guardian does not desire to have a child venture out during inclement weather, it is his/her prerogative to keep the child at home, weather conditions will be noted on attendance. Road agents and the transportation contractors make the decision to operate as usual, delay,
or close. If it is determined that the road conditions are hazardous, parents/guardians and children will be informed in the following manner:

Automated Contact System: Households will receive a recorded phone notification message. Parents wishing not to be contacted in this manner should notify the school office.

Radio/Television Stations:
WBZ
WMUR-TV - Manchester Channel 9

On a delayed opening, schools will be open two (2) hours after the regular starting time and bus pickups will be two (2) hours later than normally scheduled. Dismissal will be at the regular time.

Should road conditions remain hazardous; the “NO SCHOOL” announcement will be made over the radio and TV stations and through automated contact notification system. The decision to close school after a Delayed Opening will be made after 8:30 AM
Code of Conduct

Wilton- Lyndeborough Cooperative School endorses the following principles of student conduct in accordance with our Student Learning Expectations:

I. Respect for law and those given the authority to administer it shall be expected of all students. This includes conformity to school rules, as well as to general provisions of the law regarding minors.

II. Respect for the rights of others, consideration of their privileges, and cooperative citizenship shall be expected of all members of the school community.

III. Respect for real and personal property, pride in one’s work, and exemplary personal standards of courtesy, decency, honesty, and wholesome attitudes shall be maintained.

IV. Respect for individual worth is the obligation of the school. Diligence and a desire to benefit from the opportunity is the obligation of the student.

School-Wide Expectations

WLC Students are expected to:

● Show courtesy and respect to others and their property. Use appropriate language, behavior and dress.
● Be a present and contributing member of the school community.
● Act in a responsible and appropriate manner at all times when on school grounds, in the building, on field trips or at sporting events.

Classroom rules:
Teachers will determine consequences that may include a teacher after-school detention (with a 24-hour notice).

Office Referral:
Administration will determine consequences that may include an office after-school detention, in- school suspension, out-of-school suspension or other appropriate positive reinforcement. A meeting between teacher – student (and possibly parents) may be required prior to students returning to the classroom.

Because of the variety and severity of offenses that may occur, the administration reserves the right to adjust the consequences when necessary after conferring with the referring teacher and referred student.
Disciplinary Procedures and Consequences

Discipline is most effective when it deals directly with the problem at the time and place it occurs and is provided in a reasonable and impartial manner. School personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the student’s ability to grow in self discipline. Disciplinary action, when necessary, will be firm, fair, and consistent so as to be most effective in changing student behavior. All discipline referrals, regardless of level will report to administration in the main office first.

In determining the appropriate disciplinary action, administration will consider the following:
1. The student’s age.
2. The nature of the offense and the circumstances which led to the offense.
3. The student’s prior disciplinary record.
4. The effectiveness of other forms of discipline.
5. Information from parents, teachers and/or others, as appropriate.
6. The adverse impact on others and/or the learning environment.
7. Other extenuating circumstances.

Restorative practices and/or remedial responses are an important part of our code of conduct and place the focus of discipline on discerning and correcting the reasons why the student behaviors have occurred. The restorative or remedial responses WLC utilizes are designed to help students learn from their mistakes and correct the problem behavior as well as prevent another occurrence of the behavior. Appropriate restorative/remedial measures may include, but are not limited to:

1. peer support groups
2. assignment of an adult mentor at school that the student checks in with at the beginning and end of each school day
3. corrective instruction that reemphasizes behavioral expectations or other relevant learning or service experience
4. engagement of the student in a reflective activity, such as writing an essay about the misbehavior and its impact on others and how the student might handle the situation differently in the future and/or make amends to those who have been harmed
5. restorative intervention and/or mediation where constructive conflict resolution is modeled
6. behavioral management plans or behavior contracts, with benchmarks that are closely monitored
7. student counseling and parent conferences.
As a general rule, discipline will be progressive. This means that as a student’s number of violations increase, disciplinary consequences increase as well. Additionally, a student’s first offense in one category, coupled with multiple offenses in other categories may result in a harsher penalty than that of another student who does not have a similar violation history; however, the WLC administration reserves the right to impose any level of discipline, even for a first offense, as the facts may warrant.

Teacher Detention
Teachers can assign detention to be served before or after school at their discretion for minor classroom offenses such as occasional tardiness, missing homework, lack of preparedness for class, or talking out of turn. Students will be provided 24-hour notice prior to serving the detention and be released by 3:00 pm. Teacher detentions are not included in a student's cumulative discipline record; however, missed teacher detentions and/or repeated misconduct will be referred for administrative discipline. When serving a teacher detention, students must report to the teacher’s classroom at the end of the school day. Depending on the teacher and the conditions of that day’s attendance, the student may be completing missed assignments or other academic tasks as assigned. When students leave their assigned detention area, they are to report to the front entrance and remain there until they are picked up.

Administrative Detention
Disciplines involving administrative detentions are retained in the school discipline files. Detentions are held on Mondays, Wednesdays, and Thursdays. While serving administrative detention, students report to the alternative education room at the end of the school day. Students should bring enough work or silent reading to occupy the designated detention period, either a half hour or a full hour. When students leave their assigned detention area, they are to report to the front entrance and remain there until they are picked up. Note: Phones and other electronic devices are not permitted during detention periods. Office phones are available if needed.

Restitution or School Service (property damage / destruction incidents)

In-School Suspension (ISS)
In-school suspension (ISS) is assigned for more serious or multiple discipline infractions. While serving an in-school suspension, students will report to the ISS room and work on assignments given to them by their classroom teacher. Use of phones and other electronic devices are not permitted. Students will have their lunch in the ISS room.

Out-of-School Suspension (OSS)
Students who commit severe violations of school safety are suspended from school and are not permitted on school grounds.
Suspension from School and Athletics/Participation in Co-Curricular Activities

Participation in co-curricular activities is a privilege at WLC. Students who choose to participate are representing our school and are held to a high standard. Students who receive either ISS or OSS are also suspended from participating in athletic practices and games as well as participation in any co-curricular activities during or after school. This suspension will last from the date of suspension through its duration. Any student sent to the office for founded disciplinary reasons who is participating in a co-curricular activity will be excluded from participation on that day. This includes practice, games, competitions, or performances. Students who have continued disciplinary actions will be excluded from co-curricular activities.

Make-up work after an OSS

Students receive full credit for work completed during an OSS. Students should coordinate missing work with individual teachers. It is the student’s responsibility to seek out the teacher’s assistance and make up work.

Suspension and Expulsion of Students (RSA 193:13)

- The Superintendent is authorized to suspend students from school for gross misconduct or for neglect or refusal to conform to the reasonable rules of the school, providing that where there is a suspension lasting beyond 10 school days, the parent or guardian has the right to appeal such suspension to the local school board. Suspension to continue beyond 20 school days must be approved by the local school board.
- Any student may be expelled from school by the local school board for gross misconduct, for neglect or refusal to conform to the reasonable rules of the school, for an act of theft, destruction, or violence as defined in RSA 193D:1, or for possession of a pellet or BB gun or rifle. The student shall not attend school until restored by the local board. Any expulsion shall be subject to review if requested prior to the start of each school year further; any parent or guardian has the right to appeal any such expulsion by the local school board to the State Board of Education.
- Any student who brings or possesses a firearm as defined in Section 921 of Title 18 U.S.C. in a safe school zone as defined in RSA 193D:1 without written authorization from the superintendent or designee shall be expelled from school by the local school board for a period of not less than 12 months. Any expulsion shall be subject to review by the local school board if requested by a parent or guardian prior to the start of each school year, and further, any parent or guardian shall have the right to appeal any such expulsion by the local school board to the state Board of Education.
- Any student expelled by a local school board under the provisions of the Gun-Free School Act of 1994 shall not be eligible to enroll in another school district in New Hampshire for the period of the expulsion. Nothing in this section shall be construed to prevent the local school district that expelled student from providing educational services to such students in an alternative setting.
- A student expelled from school in another state under the provisions of the Gun-Free School Act of 1994 shall not be eligible to enroll in a school district in NH for the period of the expulsion.
Off Limit Areas

Students are not allowed in the hallways, bathrooms, or outdoors during class or study hall periods unless issued a pass or given permission from a staff member. With the exception of assigned classes, the school grounds and parking lots are off limits during the school day and during lunch, as are the gymnasium, Industrials Arts room, and stage area without supervision. Students in any unauthorized area will face disciplinary action. Students are required to report to assigned classes or study hall on time. Students requesting permission to leave a study hall must present a pass from the staff member they wish to see to the study hall teacher. Passes are issued with belief that they will be used as intended by students. Wandering the building, visiting the cafe, or going to the school store is an abuse of trust and will result in loss of that privilege and/or disciplinary action.

Buses – Student Conduct

The School Board and staff members are very concerned about safety as we transport pupils. Cooperation from parents and students is requested as we attempt to keep the buses safe for all concerned.

Students using district transportation should understand that they are under the jurisdiction and code of conduct/disciplinary rules of the school from the time they board the bus until they are deposited at the stop nearest their home.

Guests at School Social Functions
School social functions are extensions of the school day, and school rules continue to apply (including rules regarding smoking, alcohol, and drugs).
- Only WLC students and their guests will be allowed entrance to a dance. WLC students may invite one (1) guest to a dance. The student is responsible for the conduct of his/her guest and will be held accountable for the guest’s actions.
- To sign up a guest, a student must register him/her in the main office no later than noon on the Friday of the week of the dance. Approval of guests is the sole prerogative of the administration.
- Students will not be admitted to any school dance after one hour past the starting time without advanced administrative approval.
- Middle school students are not allowed to bring guests.

Visitors
All visitors, including parents and former students, must report to the main office prior to going elsewhere in the building. All visitors must display a visitor’s pass.

**Lockers**
Lockers belong to the school and are on loan to the students. Students are responsible for the condition and cleanliness of them. Lockers must be able to be closed without damaging the locker door. Any damage to the lockers will be the financial responsibility of the student. The administration has the right to inspect the lockers at any time.

**Motor Vehicles**
All students must register their automobiles or motorcycles with the office annually. No one will be allowed to park an unregistered vehicle on the school property. All automobiles will be assigned a parking space on a first come first serve basis. Once the vehicle has arrived on school property, it should be parked and students should immediately leave the parking area. Students will not be permitted to return to their vehicle during school hours without approval of the administration.

Caution is urged, and all drivers are reminded that the absolute speed limit on school property is 15 miles per hour. Students are also reminded that driving around the oval is only one way. Persons violating good driving practices will lose their parking privileges while in school.

Snowmobiles and other off-road motorized vehicles are not allowed to be used to transport any student “to and from” school.

**Academic Integrity**
Students are expected to behave with honesty and integrity in the completion of their academic work. Academic dishonesty—including plagiarism, cheating or copying the work of another, using technology for illicit purposes, or any unauthorized communication between students for the purpose of gaining advantage during an examination—is strictly prohibited.

Plagiarism is a form of cheating that is defined as taking words, information, or ideas from another source without giving credit or providing proper documentation. Cheating and plagiarism undermine our learning community and will not be tolerated. Examples of cheating include but are not limited to:
• Submitting another’s work as one’s own.
• Giving/receiving test, quiz, or homework answers (working together without teacher permission)
• Using/ supplying “cheat sheets,” texts, etc. on an assessment or inappropriately gaining prior knowledge of assessment questions
• Copying work or allowing someone else to copy your work
• Cutting and pasting from the internet or using direct quotations without proper documentation
• Rephrasing the ideas of another without indicating the source
• Using a translator for assignments in world language classes without teacher approval
• Using summaries (Cliff/Spark notes) in place of reading the text
• Submitting internet work as one’s own

In accordance with the WLC's Expectations for Student Learning, a WLC student is expected to be an ethical person. WLC students will demonstrate the highest standards of academic conduct and personal integrity. The WLC faculty is committed to helping students avoid unintentional plagiarism and understand the rules of responsible scholarship. Students found to have plagiarized and/or cheated will be referred to the administration and that work will be given a zero. Students may have an opportunity to resubmit the assignment or similar assignment to determine competency grade as determined by the administration. Incidents of this nature may also result in exclusion from school honor societies including the National Honor Society or other honor recognitions.

Study Hall Rules and Procedures

Students will:

● Be in their seats on time
● Be prepared to study
● Work on all of their assignments
● Respect themselves and others
● Students will use the restroom and get a drink between classes. They will remain in the study hall room until the bell rings unless there is an emergency. One student may be out of study hall on a pass at a time with the exception of library passes or passes from other teachers. The receiving teacher must know that the student is coming.
● Students will remain quiet for the entire study hall period to allow for an atmosphere that is conducive to learning.
● If students have a presigned pass from another teacher requesting they go to the library for research or to another teacher’s classroom, they may be permitted to go, however they must return to study hall before the end of period bell rings.
● Students will work until the bell rings. This means you will bring all necessary supplies to occupy yourself the entire class period. If you have no assignments to
work on, bring reading material or review other class material. Work may be provided by the teacher if you do not bring something to work on in study hall.

**Textbooks, Chromebooks & Equipment**
The school district provides textbooks, Chromebooks and equipment that are needed by the students for class work. The student is responsible for keeping these items in good condition. This material is on loan to the student. All textbooks are to be covered at all times. In cases where books, Chromebooks or equipment are lost, destroyed, or damaged in excess of reasonable wear and tear, the student will be assessed an amount sufficient to cover the loss. Official transcripts or report cards will not be released until all accounts are settled.

**Video and Audio Surveillance on School Property**
The Wilton-Lyndeborough Cooperative School Board authorizes the use of video and/or audio devices on Wilton-Lyndeborough Cooperative School District property to ensure the health, welfare, and safety of all students, staff and visitors to District property and to safeguard District buildings, grounds, and equipment. Placement of the video cameras will be based on the presumption and belief that students, staff and visitors have no reasonable expectation of privacy in areas or at events that occur in plain view.

**Administration’s Discretion**
All issues not specifically named in this handbook may be determined at the discretion of the Administration and/or School Board.

**Activities and Organizations**

WLC has an ongoing concern for the total student. We believe that students are best served when their academics are complemented with participation in non-academic activities and school organizations. WLC offers a variety of activities and organizations for its students that span the school year.

Not all activities are offered every year. New activities may be added dependent upon student interest. All activities must be approved by the administration.

WLC competes in Division IV for most athletic competitions. The classification of Division IV is determined by the enrollment numbers of WLC. This allows WLC to compete with schools of similar size.
ELIGIBILITY

In order for a High School/Middle School Student to participate in interscholastic athletics or a co-curricular activity they must fulfill all the regulations and requirements set forth by the NHIAA, TCL, GSC, and the WLC School Board. The requirements are as follows:

A High School Student must take four (4) period courses or be enrolled full-time in order to be eligible to participate in the sport or the co-curricular activity.

Eligibility Requirements for Co-Curricular Activities for Grades 6-12

- High school students must have received passing grades in ALL units of work during “start of the season snapshots.” Middle school students must have passing grades at the end of the previous grading period (quarter). Please refer to the Guidelines of Academic Probation below.
- For Fall participants, Middle School/High School eligibility is determined by grades received in the previous grading period.
- Successfully completed summer school grades and/or credit recovery cannot be used to regain eligibility unless approved by administration.

Guidelines of Academic Probation

1. Any middle school student who fails 1 or 2 units of work during the previous marking period, or any High School Student during the “start of the season snapshots,” will be placed on academic probation for a 10 day period and required to sign an Academic Probation Student Contract.
   a) The student will be eligible to participate in any activity representing the school during this 10 school day period. At the end of this time the student has to obtain passing grades in all units of work.
   b) If at the end of the probation period the student is unable to maintain passing grades the student will be deemed ineligible to participate for the remainder of that activity.
   c) If a student is successful in maintaining passing grades the student will be monitored every 10 school days for the remainder of the activity to determine continued eligibility.
   d) Students failing more than 2 units of work will not qualify for probation and therefore be ruled ineligible for participation.

2. Students failing 1 or 2 units of work at the end of the school year will have the probation period start at the beginning of the next school year.
   a) The grades will be checked at the end of the first 10 days of school; if grades have not been posted, this will be handled on a case-by-case basis with the assistance of administration.
   b) Academic probation will begin on the first day of school. Participants will be allowed to start at the beginning of the fall season, prior to the beginning of school.

3. Academic Probation will be limited to once per school year.
4. Grades will be monitored by the Guidance Department, the Athletic Director, and/or the Activity’s Advisor.

This organization participates in activities that will benefit the school as a whole.

Acceptable Use Policy for use of Computers, Computer Network and Internet Access (AUP)

I. Statement of Purpose and Intent
The Wilton-Lyndeborough Cooperative School District (“School District”) is providing access for its students and employees to computers, computer networks, and the internet (the “Computer Systems and Network” when referred to collectively). This service allows employees and students to share information, learn new concepts, research diverse subjects, and create and maintain school-based websites.

The School District has adopted this “Acceptable Use Policy” to set guidelines for accessing Computer Systems and Network service provided by the School District.

Every year, students and employees who want access to the Computer Systems and Network will need to sign and return an Acceptable Use Policy Agreement (“AUP Agreement”) to the School District for that year. Students who are under 18 must also have their parents or guardians sign the Acceptable Use Policy Agreement. In addition, students must also follow any school procedures developed at the school site.

By signing an AUP Agreement, the student, employee and parent or guardian agree to follow the rules set forth in this Acceptable Use Policy and to report any misuse of the computer systems and network (or any component thereof) to a teacher or supervisor.

Parties agreeing to this Acceptable Use Policy also understand the School District may, in its sole discretion, revise the Acceptable Use Policy at any time as it deems necessary.

Once a student or employee has returned the signed AUP Agreement, the District will assign an access “Account” to the student or employee.

The Account may only be used during the time the user is a student or employee of the School District. Anyone who receives an Account is responsible for making sure it is used properly.

II. Acceptable Uses of the Computer Network or the Internet
The Account provided by the School District should be used only for educational or professional purposes. Staff may use the Internet for personal use only if such use is incidental and occurs during their duty-free time or is minimal and is otherwise in
compliance with the terms of this Acceptable Use Policy.

If a user is uncertain about whether a particular use of the Computer Systems and Network is appropriate, he or she should consult or contact the Technology Coordinator or System Administrator.

III. Unacceptable Uses of the Computer Network or the Internet
The following uses of the Account provided by the School District are unacceptable:

A. Uses that violate any state or federal law or municipal ordinance are unacceptable. Unacceptable uses include, but are not limited to the following:
   1. Selling or purchasing any illegal substance;
   2. Accessing, transmitting, or downloading child pornography, obscene depictions, harmful materials, or materials that encourage others to violate the law; or
   3. Transmitting or downloading confidential information or copyrighted material

B. Uses that involve the accessing, transmitting or downloading of inappropriate matters on the Internet, as determined by the School Board or its designate(s) or any other related authority.

C. Uses that involve obtaining and or using anonymous emails.

D. Uses that cause harm to others or damage to their property are unacceptable. Unacceptable uses include, but are not limited to the following:
   1. Deleting, copying, modifying, or forging other user’s emails, files, or data;
   2. Damaging the Computer Systems and Network, any part thereof, or any files or data stored within the Computer Systems and Network;
   3. Using profane, abusive, or impolite language in transmittals;
   4. Disguising one’s identity, impersonating other users, or sending anonymous email messages;
   5. Threatening, harassing, or making defamatory or false statements about others;
   6. Accessing, transmitting, or downloading offensive, harassing, or disparaging materials;
   7. Accessing, transmitting or downloading computer viruses or other harmful files or programs, or in any way degrading or disrupting the performance of any part of the Computer Systems and Network;
   8. Accessing, transmitting, or downloading large files, including “chain letters” or any type of “pyramid schemes.”

E. Uses that jeopardize access or lead to unauthorized access into Accounts or other computer networks are unacceptable. Unacceptable uses include, but are not limited to the following:
   1. Using other users’ Account password or identifiers;
   2. Accessing another person’s email or account without their permission, and as a result of that access, reading or forwarding the other User’s e-mails or files without that User’s permission;
   3. Disclosing one’s Account password to other users or allowing other users to use one’s Account;
   4. Getting unauthorized access into other users’ Accounts or other computer
networks; or
5. Interfering with other users’ ability to access their Accounts.
6. Using any District computer or part of the Computer Systems and Network to attempt hacking into computer systems, files or data, or otherwise attempting to access information that is protected by privacy laws, irrespective of whether such attempts are within the District’s own Computer Systems and Network.

The District will implement filtering and/or blocking software to restrict access to Internet sites containing child pornography, obscene depictions, or other materials harmful to minors less than 18 years of age. The software will work by scanning for objectionable words or concepts, as determined by the School District. However, no software is foolproof, and there is still risk a user of the Computer Systems and Network may be exposed to a site containing such materials. An Account user who accidentally connects to such a site must immediately disconnect from the site and notify a teacher or supervisor. If an Account user sees another user is accessing inappropriate sites or information, he or she should notify a teacher or supervisor immediately.

B. The District and its representatives will implement a mechanism to monitor all minors’ online activities, including website browsing, email use, chat room participation and other forms of electronic communications. Such a mechanism may lead to the discovery that a user has violated or may be violating this Acceptable Use Policy, the appropriate disciplinary code or the law. Monitoring is aimed to protect minors from accessing inappropriate matter, as well as help enforce this Acceptable Use Policy, as determined by the school board, local education agency or other related authority. The District also reserves the right to monitor other user’s (e.g., employees, students 17 years or older) activities on or through the Computer Systems and Network, and to access review, copy, store or delete any electronic communications or files and disclose them to others as it deems necessary.

C. Information concerning student identity shall not be posted unless it is necessary to receive information for instructional purposes, or as otherwise permitted in writing by the student and the student’s parent or guardian if the student is younger than 18.

D. Account users shall not reveal on the Internet personal information about themselves or about other persons. For example, Account users should not reveal their full name, home addresses, telephone numbers, school addresses, or parents’
names on the Internet.

E. Account users shall not meet in person anyone they have met on the Internet in a secluded place or a private setting. Account users who are under the age of 18 shall not meet in person anyone they have met on the Internet without their parent’s permission.

F. Account users will abide by all school district security policies.

V. Privacy Policy
The District has the authority to monitor all Accounts, including e-mail and other materials transmitted or received via the Accounts. All such materials are the property of the School District. Account users do not have any right to or expectation of privacy regarding such materials.

VI. Storage Capacity
To ensure that Account users remain within the allocated disk space, users with email accounts should check their email frequently and delete unwanted messages and other files or data that take up excessive storage space. The District will also routinely delete messages from Account users’ inbound and outbound log files, messages saved to the archive folders on the system, and messages posted to the School District’s website.

VII. Penalties for Improper Use
The use of the Account is a privilege, not a right, and inappropriate use will result in the restriction or cancellation of the Account. Inappropriate use may lead to any disciplinary and/or legal action, including but not limited to suspension or expulsion or dismissal from employment from the School District, or criminal prosecution by government authorities. The School District will attempt to tailor any disciplinary action to meet the specific concerns related to each violation.

VII. Disclaimer
A. The School District makes no guarantee about the quality of services provided and is not responsible for any claims, losses, damages, costs, or other obligations arising from the unauthorized use of the Accounts. The School District also denies any responsibility for the accuracy or quality of information obtained through the Account.

B. Any statement, accessible on the computer network or the Internet, is understood to be the author’s individual point of view and not that of the School District, its affiliates, or employees.

C. Account users are responsible for any losses sustained by the School District or its affiliates, resulting from the Account users’ intentional misuse of the Accounts.

Inappropriate student conduct that causes material and substantial disruption to the school environment, interferes with the rights of others, or presents a threat to the health and safety of others will not be tolerated. Students are expected to exhibit appropriate classroom behavior that allows teachers to communicate and educate effectively.

Students will conduct themselves in a manner fitting to their age level and maturity and with respect and consideration for the rights of others while on school district property or property within the jurisdiction of the school district; while on school owned and/or operated school or chartered vehicles; while attending or engaged in school activities; and while away from school grounds if misconduct will directly affect the good order, efficient management and welfare of the school district. Consequences for the misconduct will be fair and developmentally appropriate in light of the circumstances.

Students who fail to abide by this policy and the administrative regulations supporting it may be disciplined for conduct which disrupts or interferes with the education program; conduct which disrupts the orderly and efficient operation of the school district or school activity; conduct which disrupts the rights of other students to participate in or obtain their education; conduct that is violent or destructive; or conduct which interrupts the maintenance of a disciplined atmosphere. Disciplinary measures include, but are not limited to, removal from the classroom, detention, suspension, probation, and expulsion.

Suspension means an in-school suspension, an out-of-school suspension, a restriction from activities or loss of eligibility. An in-school suspension will not exceed ten consecutive school days. An out-of-school suspension means the student is removed from the school environment, which includes school classes and activities. An out-of-school suspension will not exceed ten days. A restriction from school activities means a student will attend school and classes and practice but will not participate in school activities.

The conditional suspension will mean the student must meet the conditions and terms for the suspension of the penalty. JICDD - STUDENT DISCIPLINE: OUT-OF-SCHOOL ACTIONS
The Wilton-Lyndeborough Cooperative School Board recognizes that out-of-school and off-campus student conduct is not normally the concern of the Board. However, the Board also recognizes that some out-of-school and off-campus conduct may have an adverse effect upon the school, school property, or school staff.

Therefore, it shall be the policy of this Board that the Board or school administrators may impose disciplinary measures against students for some out-of-school or off-campus conduct. Discipline may be imposed if, in Principal's opinion, such out-of-school conduct causes a significant disruption or substantial interference with the school's educational mission, purpose, or objectives. Additionally, any off-campus or out-of-school behavior that has a strong potential to disrupt normal school operations may also be met with appropriate disciplinary actions by the Board or school administrators.

Out-of-school and off-campus student conduct that may subject a student to discipline includes, but is not limited to:
1. Damaging school property;
2. Violence at or near the school's bus stop, either before or after the school day;
3. Drinking alcohol, using tobacco products, or using illegal drugs at or near the school bus stop, either before or after the school day;
4. Damaging the private property of school staff or employees; or
5. Any other activity the Board or administration determines impedes the general welfare of scholastic activities.
Cyber-Bullying and Internet Threats

The Board also recognizes that there are growing occurrences of "cyber-bullying" and threatening language being used by students on the internet when out-of-school and off-campus. Instances of cyber-bullying have a direct and substantial effect on students, staff and student performance. Cyber-bullying includes, but is not limited to, the following actions: harassing, teasing, intimidating, threatening, or terrorizing another person by sending or posting inappropriate and hurtful e-mail messages, instant messages, text messages, digital pictures or images, or Web site postings, including blogs.

The Board recognizes that this definition may not be all-inclusive. Therefore, the Board reserves the right to impose discipline for actions that may fall outside this definition but are still within the general purposes of this policy.

Students or staff who believe they have been victims of cyberbullying should report their concerns to a teacher or the building principal. Students or staff who believe they have been victims of cyberbullying are encouraged to print the relevant material and provide copies to a school district employee.

The administration shall fully investigate all reports of cyber-bullying.

The Board may impose disciplinary measures against a person who is found to have engaged in such behavior, provided the cyber-bullying and/or internet threats:

1. Violate any school district rules or regulations;
2. Contains threats of violence against staff members or students;
3. Threatens vandalism to school property;
4. Suggests or advocates physical harm to staff members or students;
5. Creates a disruption to the school's educational mission, purpose and objectives; or
6. Interrupts or severely impedes the day-to-day operations of the school.

Any staff member who learns of an occurrence of cyberbullying and/or internet threats shall report the same to the Principal, who shall then conduct an investigation into the alleged bullying and/or threat.

Any discipline imposed by virtue of this policy will be in accordance and consistent with the Board's policy regarding student discipline.
