

“ Our child has eagerly attended **School Age Adventures** from kindergarten through fifth grade. We all appreciate the homework help! ”

## Opening Doors for Adults & Children

Our programs reflect solutions to the needs of individuals who want to better train themselves for the workplace and also reflect solutions for the local business community, which needs trained individuals in order to thrive.

### About the Adult Learning Center...

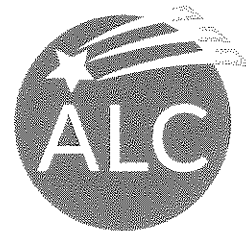

Since 1972, the Adult Learning Center has been providing quality education to the people of the greater Nashua area. We serve more than 3,000 individuals each year and are located in two facilities, Lake Street and Arlington Street, operate a satellite program in Milford, and offer before and after school programs at sixteen area elementary schools. Our staff has earned and maintained positions of leadership both locally and statewide.

We are governed by a volunteer board of directors, comprised of local citizens.

The Adult Learning Center is a private, not-for-profit agency. We receive financial support from United Way, program-related federal, state, and city grants, and donations from businesses, individuals, foundations and civic organizations.

### Non-Discrimination

USDA and the Adult Learning Center are equal opportunity employers and providers.

Learn. Grow. Thrive.

# Before & After School Care

 **School Age Adventures**  
*Right in Your Neighborhood School*

[www.adultlearningcenter.org](http://www.adultlearningcenter.org)

*School Age Adventures provides before and after school care to elementary school children in Nashua, Merrimack, Litchfield and Hollis. You'll find us in 16 neighborhood schools.*

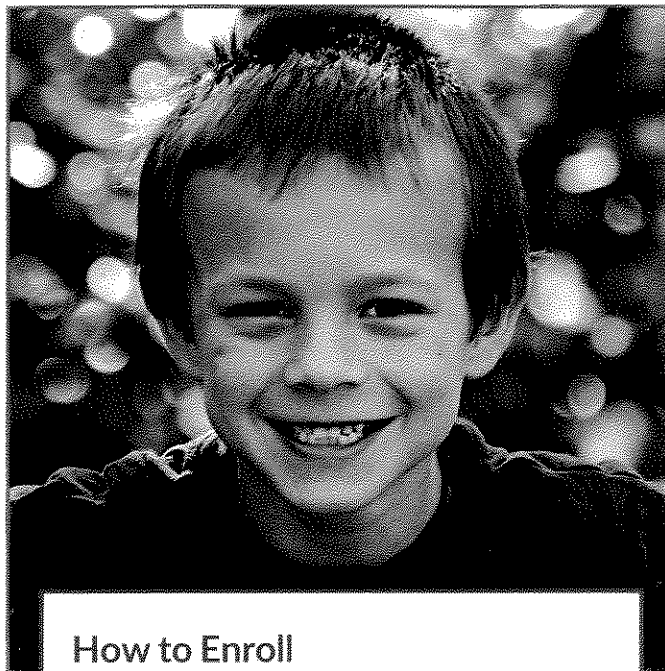

We promote the healthy social and academic development of children, and help families by allowing parents to work knowing that their children are safe, happy, learning and having fun!

We offer a place where children are encouraged to pursue interests, develop friendships, grow in confidence and independence, and where respect for themselves and others is fostered.

## What We Offer

- Before school care with breakfast is offered at selected schools in Nashua from 6:40am and Merrimack, Litchfield, and Hollis from 6:30am.
- After school care with snack is offered at selected Nashua, Merrimack, Litchfield and Hollis schools from the close of the school day until 6:00pm.
- School Age Adventures operates on the school calendar, including delayed openings and scheduled early release days.
- We are a licensed program by the State of NH. Staff to child ratios exceed NH State childcare guidelines.
- "Homework Club" supports academic achievement.
- Developmentally appropriate indoor and outdoor activities and games, cooperative play and enrichment.

## How to Enroll

Download an enrollment packet from our website, or call 603-882-9080 to have one mailed to you. Enrollment begins in mid May for the following school year. Enroll early as many programs fill up and many have a wait list.

## Cost

Cost varies depending on the child's schedule. Siblings receive a discount. Tuition assistance is available to qualifying families through the NH Division of Health and Human Services.

## What Makes Us Special

Active play, homework help, crafts and board games sound like what you expect from an after school care program. But it's the nurturing environment and unexpected extras that make the School Age Adventures program so special.

Xploration promotes fun enrichment that encourages kids to design, create, and problem-solve using their thinking skills and team work. This unique program, led by an experienced STEM (Science, Technology, Engineering and Math) educator, engages students in learning that is hands-on, team-based, and grounded in scientific exploration.

Whatever the activity, at School Age Adventures you'll find excited, engaged children who are not just playing after school. They are learning – and having fun.
