Sherry LeBlanc, Administrative Assistant LCS

Dear families,

I hope you are doing well and gearing up for what will undoubtedly be a fantastic school year! In addition to student safety and well-being, one of our priorities is preparing for and administering the *i-Ready® Diagnostic*. This first Diagnostic helps us better understand your student's strengths and areas for growth, but only if the data is accurate.

The most important thing we can do is prepare students and motivate them to put forth their best effort.

Here are a few things you can do to help support your student:

- Make sure they get a good night's rest before taking the Diagnostic!
- Talk to your student about why the Diagnostic is important. You can say things like:
 - *The Diagnostic helps you find out what you know, what you are ready to learn, and it will help you get "just-right" lessons.*
 - *Try your best, and do not rush—but don't spend too much time on a question either.*
 - *Remember, questions on the Diagnostic change based on your answers to earlier questions. You will see some questions you don't know. That is okay! Just try your best.*
- Let them know you're excited to hear about how it goes, and to ask them about their experience.

We're thrilled to partner with you in your student's learning! As always, let me know if you have any questions.

Please find the iReady assessment calendar for FRES and LCS below.

Sincerely,

Bridgette Fuller
