Dear Warriors Community,

As usual... HAPPY GAME DAY. We have had quite the week here at WLC! Both of our Boys Varsity and Girls High School soccer teams walked away from their games on Monday with a victory. The girls defeated Derryfield with a 3-2 win. The boys defeated Monadnock with a 2-1 win. Middle school boys and girls both have their first games starting next week! Tune in today to watch our Girls High School team face off against Holy Family Academy at 4pm! During the NHIAA Annual meeting, WLC was formally recognized in front of all high schools for not having any student athlete disqualifications during the 23-24 school year.

WLC's STUDENT ATHLETES OF THE WEEK

Our male student athlete of the week is Harry Krug on the Boys Varsity Soccer team. Harry is being recognized for his outstanding performance in the last week. Alongside scoring a goal in this week's game against Monadnock, he shows great leadership skills, is always on time, and is currently achieving outstanding grades in the classroom to keep his record on the honor roll while being in Honors and AP classes. Coach Nelson stated that he is "looking forward to having him be one of our go-to guys."

Our female student athlete of the week is Cailin Swett on the Girls High School Soccer team. Cailin is said to be a strong team leader, never stops moving, always gives her best whether it is in a game or in practice. She led the team with two goals in her game against Derryfield on Monday while also directing plays with good passes, dribbling and shooting. Cailyn is currently receiving outstanding grades in the classroom. Coach Flora stated that she is "team oriented and is becoming adept to advising the girls" creating a stronger and better bonded team.

Great job Warriors!
