

FRES & LCS WEEKLY NEWSLETTER

THIS WEEK AT FRES

APRIL 12, 2024

Thank you to all the families that joined Ms. Boo out on the flats on Monday to view the partial eclipse! And a BIG **“Thank You”** out to **Ms. Boo** for organizing activities for the little ones to keep them engaged. Ms. Boo has gone above-and-beyond with our students these past few weeks. Ms. Boo visited several grades as well as LCS, teaching them all about the Solar System. Thank you Ms. Boo we are lucky to have you.

If you have any left over eclipse glasses please consider dropping them off to the front office. All glasses will be collected and donated!

Thursday, April 11th we held a passive ALICE Drill at Florence Rideout Elementary School. We were joined by several local Police Department members, which included - Chief Olesen, Sargent Siekman, Officer Rak and Officer Harris along with our ALICE trained staff members. ALICE Team members and students engaged in a quick dialogue regarding an announced scenario over the P.A. Students provided great feedback during the debriefing process about their response to the scenario. If you have any questions please do not hesitate to reach out and call the front office at (603)732-9229.

**HAPPY
FRIDAY!**

Greetings FRES and LCS Families,

This message is to inform the school community that I will be taking a medical leave starting May 14th. I would like to thank the staff and administrators for their support and assistance. Fortunately, We have found a very qualified replacement to be the long-term substitute physical educator and health teacher. Her name is Kelsey Gregorio, a soon-to-be graduate from Franklin Pierce University. She will graduate in May with a double major in elementary and special education. She is a four-year track and cross country athlete at Franklin Pierce, and has also coached for the Special Olympics. Kelsey recently completed her student teaching at FRES and WLC. She is already acquainted with our school community and is excited to start her teaching career at FRES. We are very happy to have her.

Best Regards,

Mr. Shenk

LCS

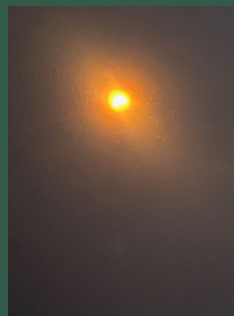

We have had a super week here at LCS!!! A big shout out to Ms. Dignan for acquiring our eclipse glasses so we could all go outside and enjoy the big event safely!!! Ms. Rourke's Class learned all about teen numbers in math and and all about animal needs in science!! Ms. DiFilippo's worked on teen numbers too! They also learned all about the life cycle and habitat of frogs!! Mrs. MacPherson's Class had some great observations about what they saw during the eclipse! They wrote stories each afternoon and the kiddos are getting really good at matching their sentences to their pictures and tapping out the words to write on their own! Finally, our kindergarten was lucky enough to participate in a nutrition lesson by dieticians from Monadnock Community Hospital! It was so interesting!! Just a reminder that Tuesday 4/16 is our rehearsal for the Spring Concert! All kindergarten students will be dismissed from FRES! Have a fabulous weekend!!!!

HELP WANTED!

PRESIDENT *Leader of the Pack*

We want YOU to be our next parent group president! Our fearless leader's term expires at the end of the school year. We're looking for a creative problem-solver who is comfortable delegating and who can help us focus on the

agenda instead of talking about our kids or the latest episode of *This Is Us*. A sense of humor is a big plus—and if you know how to say “no” without provoking a tantrum, even better. If you're ready to play a substantial role in supporting our school, we want to hear from you!

HELP WANTED!

VICE PRESIDENT *Partner in Crime*

So you'd like to get more involved in the school parent group, but you're not sure you're ready to take the lead role? Our vice president position has your name written all over it! You'll learn behind-the-scenes intel and be

part of decisionmaking on important issues throughout the year. You'll help the president get things done—kind of like a superhero's sidekick, but without the silly costume.

HELP WANTED!

SECRETARY *Fact Finder*

Be honest—you're the one in your friend group who filled out every page in your child's baby book...at the right time, no less. If you're the kind of person who documents everything, from your toddler's first steps to how far you jogged yesterday, we have the perfect role for you. You'll get to put your stellar

recordkeeping skills and attention to detail to good use as our parent group secretary. You must have good listening and computer skills—and extra credit if you can follow what's on TV and play Candy Crush at the same time.

PTOTODAY

HELP WANTED!

TREASURER *Number Cruncher*

We have big plans to raise money and fund important projects for our school, and we need someone who likes to count every penny to help us do it. If you secretly love to

categorize expenses and create color-coded pie charts, you have what it takes to be our parent group treasurer. Bonus points if your spouse teases you about how often you log in to the personal finance app on your smartphone.

Happy Friday FRES and LCS Families!

I cannot believe we are mid-way through April already, that leaves us with only two months left in the school year! I would like to share some helpful tips from the health office to ensure a smooth transition into the next school year. If your child has had a physical since the beginning of the year, please share them with your school nurse. This helps us to prevent delays in data input as immunizations are one of the first things we focus on at the beginning of each school year.

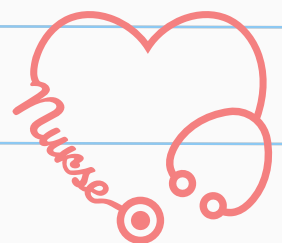

As we spring into summer, I would like to remind parents/guardians to check your children for ticks! Lots of outdoor play is definitely recommended, however, we are not alone out there! I have provided a link to the CDC for preventative tips you should consider.

https://www.cdc.gov/ticks/avoid/on_people.html

Wishing you all well, and as always, if you ever have any questions or concerns related to your child's health, please reach out to your school nurse!
