

August 2019

Hello Lyndeborough Central and Florence Rideout Families,

Did you know there is an after school program at Florence Rideout School? Katy Cummings is the site director and she is there at dismissal every afternoon to welcome the students. She has fun activities to keep everyone busy and serves a delicious snack before taking everyone outside for some fresh air. Working alongside Katy you will see Kirsten Rourke.

You can sign up for as little as 1 day or as many as 5 days each week. The program operates on the same schedule as the school district. We are located in the cafeteria and offer a place where your children will be safe, happy, and will have lots of fun! Parents can pick up their children at any time during our hours of operation.

The Nashua Adult Learning Center's School Age Adventures program is licensed through the State of New Hampshire. Qualified staff are in charge of each program and we maintain a staff to child ratio that exceeds licensing standards.

You can view a video of one of our programs at our website and download an application:  
[www.nashuaalc.org](http://www.nashuaalc.org).

If you would like to visit the program, have any questions or would like to have an enrollment packet mailed to you, please call Debi Trybe at 603-882-9080 x2212.

We look forward to meeting you.

*Lois Parsons*

*Adventure Club Coordinator*
