Robert LaRoche, Principal

Dear FRES Community,

We are approaching the end of the school year and the progress we see in student learning is something to be proud of. This was obviously an unusual year and we really cannot compare it to anything else. We are looking at the potential for summer learning and are developing a Summer Academy to help students. We also recognize that children should be getting back to normal activities and be outside as much as possible.

The plan is that we would hold a four-week Academy with three offerings: Reading, Math, and Music.

Reading

Math

Music

Summer Academy will begin on Tuesday, July 6th and run for four weeks ending on Thursday July 29th. Hours of operation will be 8:30 AM – 11:30 AM on Tuesday, Wednesday, and Thursday. Monday and Friday there will be no instruction to allow for family and friend time. Snack breaks will be worked into the schedule but lunch will not be served. Transportation will be available as needed and drop off to the Boys and Girls Club will be offered. Any questions, please contact Ms. Cargill at t.cargill@sau63.org. Please sign and return this form by Friday, June 4th. This is first come, first served.

Thank you.
