Alice Bartoldus, Middle School Counselor

Dear Parents and Community Members,

Saturday, March 8th at the District Meeting, there were many kind words shared about the positive changes at WLC. On behalf of the staff and myself, we want to express our heartfelt appreciation for those kind words. The progress we have made is a direct result of the support provided by our families and the communities of Wilton and Lyndeborough.

In March 2024, the community approved the operating budget and a Warrant Article to increase teacher salaries, ensuring they are more competitive with surrounding communities. As a result, our school has been able to retain high-quality educators, allowing us to focus on improving our school and enhancing the educational experience for all students.

During the discussion of Article 4 (2025-2026 budget) on March 8, 2025, the budget was amended to restore 2.4 teaching positions that had been cut during the budget process. Both the amendment and Article 4 were approved. We deeply appreciate the community's recognition that at this time reducing staff in the school district would have an impact on student learning. Your commitment to maintaining a strong educational environment is greatly appreciated.

At WLC, we remain committed to helping each student reach their full potential. Thank you for your continued support. It truly takes a community to educate our youth, and we are grateful for your partnership.

With sincere appreciation,

Tom Ronning

Principal, Wilton-Lyndeborough Cooperative Middle High School
