

Wilton-Lyndeborough Cooperative Middle/High School

Recap of 2024-2025
and changes for 2025-2026

Dear Wilton-Lyndeborough Residents,

It is a pleasure to share with you the accomplishments of our students, staff, and parents in this annual assessment. Communication with our community is important, so please take a look at this information. If you have questions, please do not hesitate to contact the school. Continual improvement continues to be our priority. We look forward to the challenges ahead and thank our school communities for their endless support.

Sincerely,

Tom Ronning, Principal

Katie Gosselin, Assistant Principal

NEAS&C

WLC is an accredited member with the New England Association of Schools and Colleges

Vision of the Graduate

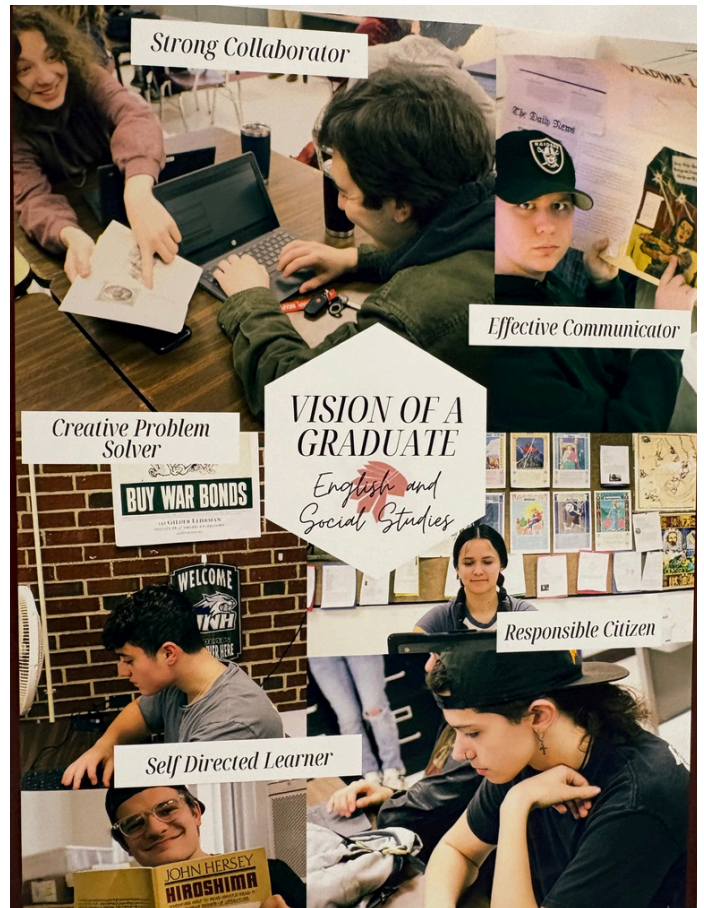

The WLC graduate will be an effective communicator, a strong collaborator, a creative problem solver, a self-directed learner, and a responsible citizen.

Beliefs about Learning

- All students have the potential to achieve
- We inspire lifelong and achievement through a broad range of experiences
- It is vital to maintain a safe, productive, and inclusive learning environment
- We recognize that students, parents, and staff share responsibility for open communication to maintain a thriving school community

Wilton-Lyndeborough Cooperative Middle/High School Vision of the WLCSD Graduate

Important Changes and Dates for the 2025–2026 School Year!

Middle School Schedule Changes:

Wilton-Lyndeborough Cooperative Middle/High School Academic Awards & Honors

WLC celebrates academic achievement each quarter. Students are recognized for their academic grades, but also for their hard work, determination, and improvement. High school students are awarded Honor Roll (all As and Bs) and High Honor Roll (all As) per semester. Middle School students can earn those same honors but on a quarterly basis.

Each month, two students in grades 6, 7, and 8 are selected as the Student of the Month. This is a recognition for students who show random acts of kindness and who go above and beyond inside the classroom. Additionally, two students in either grade 9, 10, 11, or 12 are selected as Student(s) of the Month.

In May of their graduating year, seniors attend an Awards Night where local scholarships and academic awards are presented to seniors. In May of 2025, the graduating senior class received over \$100,000 in scholarships!

In addition, WLC recognizes graduates who have a GPA of 3.7 and above. This year's top students who graduated with summa cum laude are listed below!

Class of 2025

Valedictorian: Harrison Krug

Salutatorian: Jaryd Clark

Madison Clough

Kelsey Crouse

Lily Gibson

Mia Gorman

Ben Jacob

Wilton-Lyndeborough Cooperative Middle/High School Assessments

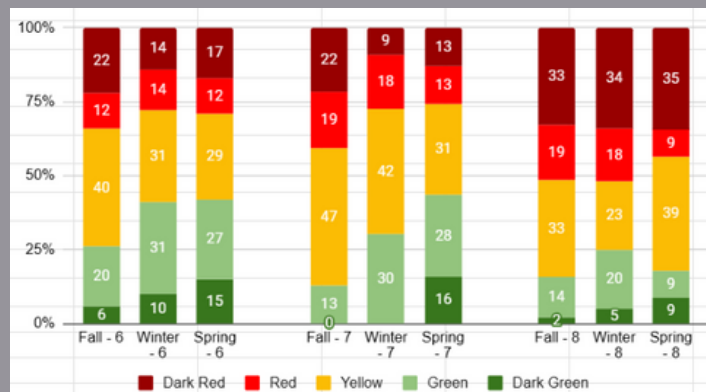

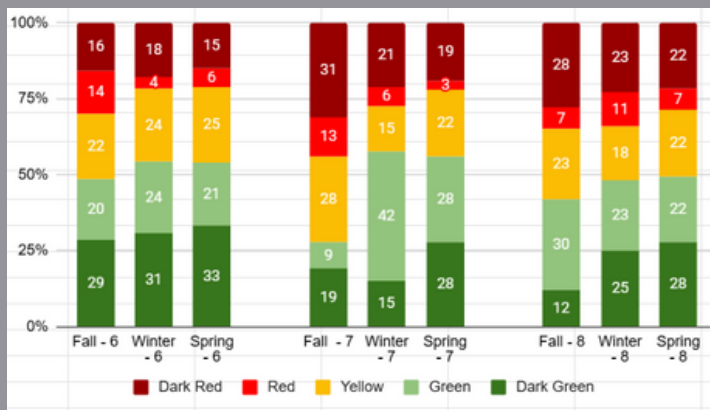

State and Local Assessments

Middle School:

Grades 6, 7, and 8 take the NH SAS: Reading, Writing, and Math assessment
 Grade 8 takes the NH SAS: Science assessment
 Grades 6, 7, and 8 take the iReady assessment in Reading and Math

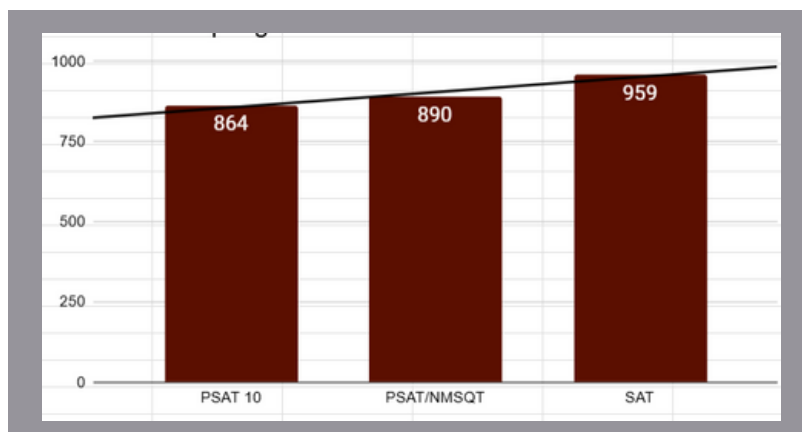

High School:

Grade 9 takes the PSAT 9
 Grade 10 takes the PSAT 10
 Grade 11 takes the PSAT NMSQT in the fall and the SAT in the spring
 Grade 9 takes the iReady in the fall and winter (unless they test out in the fall)

iReady Grade 6-8 Reading Scores

iReady Grade 6-8 Math Scores

PSAT 9, PSAT 10, and SAT Scores for the Class of 2026

Wilton-Lyndeborough Cooperative Middle/High School

Savings on Running Start Programs-Enroll in one or more!

Last year, students at Wilton-Lyndeborough Cooperative High School earned 69 college credits by taking Running Start courses. Compared to in-state UNH tuition of approximately \$1,940 per class, this represents a potential savings of **\$133,860** to WLC students and their families.

Running Start courses are college-level courses offered simultaneously at New Hampshire Community Colleges and at local high schools. High schools interested in offering Running Start courses must gain approval from their regional NH community college. The high school must have an instructor who is qualified to teach at the college level, and a curriculum that meets or exceeds the college's requirements and standards. In order to ensure that these standards are being honored, the high school teachers are observed during the course by a supervising professor from the college. Students who take approved Running Start courses are technically enrolled at both the high school and at the college - and simultaneously earn high school and college credit with a grade of C or better.

In an effort to maximize this great opportunity for its students, WLC has continued to add and promote the Running Start program. The school offers 5 Running Start math courses (Calculus 1, Calculus 2, Precalculus, Intro to Statistics, Quantitative Reasoning) and 2 Running Start English courses (College Composition 1, College Composition 2). In total, since WLC started offering Running Start courses in 2016, students have earned 296 college course credits, for a potential tuition savings of **\$574,240** in today's dollars.

Wilton-Lyndeborough Cooperative Middle/High School

Career & Technology Education (CTE)

Wilton-Lyndeborough is partnered with Milford High School, Mascenic High School, and ConVal High School to attend “CTE” programs. Most programs lead to at least one type of certification as part of the program completion. These “CTE” programs are considered electives and students in grades 10 through 12 are eligible to enroll!

Students Enrolled in CTE programs

22-23: 6

23-24: 3

25-26: 21

Wilton-Lyndeborough Cooperative Middle/High School Looking Ahead...

The school community will begin a self-study during next school year for the upcoming Collaborative Conference visit during the Spring of 2027. Some of our 2024-2025 accomplishments include:

- Math tutoring after school - 17 MS and HS students came in throughout the year to work on math
- NHS - 11 students (HS) and 15 students (MS) were inducted
- NHS worked with the community to support the district meeting to offer babysitting
- NHS and the Junior Class worked together at the annual Penny Sale
- 40 students graduated on May 30th - a 100% graduation rate
- 9th grade students completed the BioTrek competition and some went on to the State Level competition
- The music department held 2 concerts, 2 showcases, a play, a musical, and participated in a music festival
- We hosted several student art exhibits in the community
- We welcomed many community members in as guest speakers - including Patsy Belt and Ben Scalise
- We held many field trips including; NHTI, NH Career & Construction, Field & Forest Career Day, CTE visits, Manufacturing Day @ NCC, Pats Peak, Mt Monadnock, The Institute of Contemporary Art, Ecology Camp, Washington DC and more!
- We held a Career Day with parent volunteers - some careers included police and fire departments, education, health fields, and much more!
- The WLC ski club expanded to include middle school this year
- Athletics added a Tennis Club and we are adding Golf for the fall
- Athletics recognized 3 students at the NHIAA Scholar Athlete ceremony - Ben Jacob, Kelsey Crouse, and Harry Krug
- An average of 45 athletes were also scholar-athletes. This is over 50% of our student-athletes!

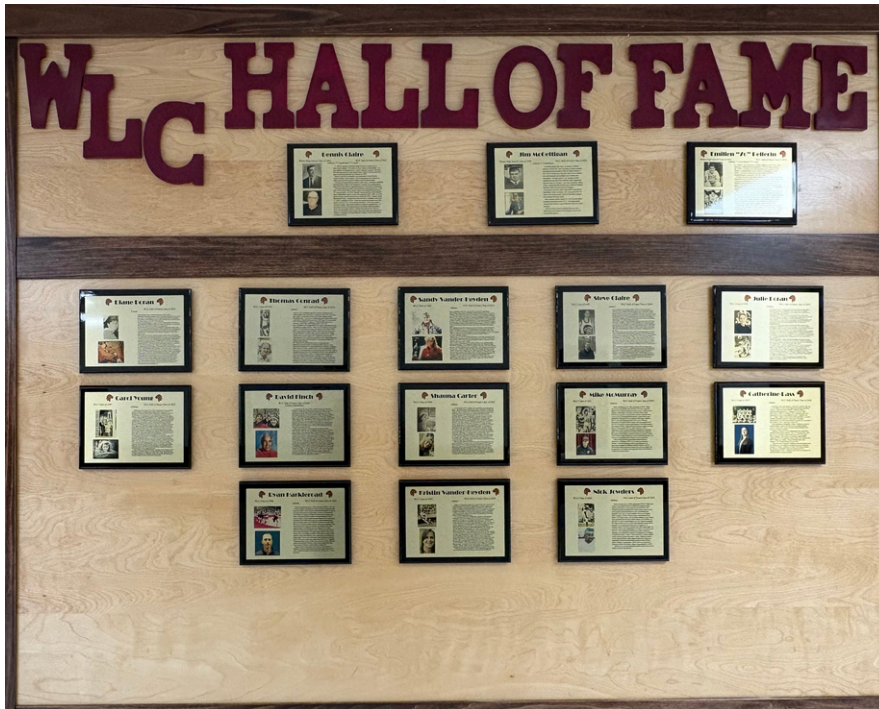

As always, we welcome your ideas, feedback, questions and/or concerns. We can be reached at:

Tom Ronning- T.Ronning@sau63.org or 603-732-9360

Katie Gosselin- K.Gosselin@sau63.org or 603-732-9361

Wilton-Lyndeborough Cooperative Middle/High School Alumni & Hall of Fame

WLC began it's Athletic Hall of Fame in 2023. To date, we have 16 inductees. If you would like to make a nomination for a coach, athlete, or contributor, you may complete a nomination form on our athletics' webpage. They are due February 1, 2025.

WLC began it's Alumni Wall in 2023. Graduates from WLC have gone on to have incredibly successful lives. Some of our alumni wall include parents who have students enrolled in WLC as we speak! If you would like to be a part of our alumni wall, please email Linda Draper @ L.Draper@sau63.org.
