

Red Ribbon Week - October 23 - 27, 2023

Red Ribbon Week is a time to educate our students about drug abuse and prevention and to promote awareness surrounding this issue. The Red Ribbon campaign brings millions of people together to raise awareness regarding the need for alcohol, tobacco and other drug and violence prevention, early intervention, and treatment services. It is the largest, most visible prevention awareness campaign observed annually in the United States.

Theme days: We encourage you and your students to participate!!
