Friday is "Pizza Day". Ala carte items are available for purchase as well, at different pricing. Our Monthly Menus are posted on the school website.

Each staff member will be assigned a pin (personal identification number) to use at the point of sale in the café. You may access your account on line at mymealtime.com and set up an account. There is a small fee to make deposits on line to your account. The on line account will send you an email alert when your account is low and you can set the dollar amount when you want to be notified. It is a very handy tool.
