Greetings,

The Wilton-Lyndeborough Cooperative School District held the town meeting on Saturday March the 7th; just over 240 voters attended the meeting.

There were five warrant articles considered, the operational budget was the only one done with a paper ballot. An amendment was made on the floor to reduce the proposed operating budget by \$411,444 which was passed by the voters present, this is about 3% of the operational budget. The final vote for the amended budget was approved by a vote of 160-82.

The collective bargaining agreement with the teachers, the addition of funds to the Building/Roadway Capital Reserve fund, and the additional funds to the Special Education Capital reserve funds were approved by a voice vote. The warrant article for the Financial Audit failed by a voice vote.

I will be working with the school board, the staff, as well as any community member who wants to be involved to determine where the reduction of the proposed budget in the amount of \$411,444 will come from. If you cannot come to school board meetings; I encourage you to read the minutes and I will continue to send emails out so you know what is going on.

Sincerely,

Bryan K. Lane
