December 8, 2020

Good afternoon,

We have received information today that a fifth grade teacher at Florence Rideout has tested positive for COVID-19. Through contact tracing, we have determined that no teachers outside the fifth grade will need to quarantine. This means that the fifth grade students only will switch to remote learning from Wednesday December 9 through Monday December 14. This will complete the 10-day quarantine period from the last day of contact as recommended by the New Hampshire Department of Public Health.

All fifth grade students should quarantine from December 9 through December 14. If any student in the fifth grade exhibits unexplained symptoms of COVID-19 to include:

Fever	Stomach distress	Diarrhea	Chills
Sore throat	Shortness of breath	Runny nose	Fatigue
Headache	Loss of taste or smell	Cough	Body Aches

Those families should contact your health care provider and be tested.

Students in grades 1-4 were not exposed to anyone who has tested positive for COVID-19. They do not need to quarantine.

Siblings of students in grades five can attend school as long as their fifth grades student is not exhibiting symptoms above that are unexplained.

Students in grade 5 will be sent home with their Chromebooks today and they should be prepared to being on screen with their teachers at 8:05 in the morning.

All buses will be hydrostatically sprayed today and FRES will get a deep cleaning during the time of closure.

Information on COVID-19 can be found at the following websites:

www.nh.gov/covid19.index.htm

www.cdc.gov/coronavirus/2019-ncov/index.html

I am sorry to have to make this decision but it is in the best interest for the safety of our staff and students. Please contact me if you have any questions.

Sincerely,

Bryan K. Lane
