Robert Mullin
Business Administrator

January 21, 2021

Greetings,

On Tuesday January 21, 2021, the Wilton Lyndeborough Cooperative School Board voted to make a change in the protocol for delivering instruction to our students during the COVID-19 pandemic. Beginning on Monday January 25, there will no longer be a hybrid or modified schedule available to students. All families that were using this option have been communicated with. The two remaining options are full remote learning five days per week or full in-school learning five days per week.

Families that notified the Superintendent that they wanted to make a change to either of the remaining models, those changes will go into effect on Monday January 25 as well. With the changes in the number of students who will be in our buildings, additional furniture has been brought in and some room changes may be necessary to maintain as much social distancing as possible.

Please contact my office at 603-732-9170 or through email at b.lane@sau63.org if you have any questions.

Thank you,

Bryan K. Lane
