Business Administrator

January 13, 2021

Greetings,

The Short Term Strategic Planning Committee, a committee formed by the School Board, has been listening to feedback from parents and staff as we look toward the beginning of the second semester. The information that has been received is that a large number of students on the modified schedule are struggling to maintain a level of consistency and academic progress.

I have been asked to gather information for the School Board to consider. No decisions have been made at this time, this will be discussed at the January 19 school board meeting. Please email me at [b.lane@sau63.org](mailto:b.lane@sau63.org) with answers to the following questions and include:

- Your child/children's name
- Your child/children's grade

**If your child is on a modified schedule coming into school 2 or 3 days per week, please answer this question:**

My child/children are in a modified schedule right now. If the School District stopped offering this option, I would want my child to move to:

A remote schedule five days per week

Or

An in school schedule five days per week

**The other information that I need to gather is if your child is fully remote and you want them to return to in school sessions or they are in school and you want to move to fully remote please reply with your child/children's name and grade. If you want to make a change, please email me at [b.lane@sau63.org](mailto:b.lane@sau63.org).**

If you do not want to make a change from fully remote or in-school sessions, you do not need to respond to this letter. A recommendation will be made to the school board that no changes to schedules would be made for the remainder of the school year after January 25.

Changes to full remote or full in school will be made on Monday January 25<sup>th</sup>. Families will receive notice by Friday January 22<sup>nd</sup> on what procedures to follow if your child is making a change.

Sincerely,

Bryan K. Lane
