Wilton, New Hampshire, (April 13, 2022) — Wilton-Lyndeborough School District is announcing the launch of a memorial scholarship in Honor of Harry Dailey. The new scholarship program will help a graduate of the district to fund their post-secondary education.

Harry Dailey served as the School Board Chair for many years. He volunteered extensively in the community, and was awarded Citizen of the Year by the Town of Wilton for his service. His wife Gisele has also played a pivotal role in the community, working in the School District for many years.

“Harry was a tremendous asset to our community,” said Jim Kofalt, WLC’s current School Board Chair. “He was instrumental in the FRES construction project and many other initiatives that have helped to build up our community. He will be deeply missed.”

To be considered for the scholarship, interested students will be required to submit an essay on the importance of community service. Full details are available at the Wilton-Lyndeborough High School counseling office.

Anyone who wishes to contribute to the scholarship fund should contact Linda Draper at 603-732-9340, or via email at l.draper@sau63.org. Checks may be made payable to "WLC" and should include a note that the contribution is for the Harry Dailey Memorial Scholarship Fund. Donations may be mailed to 57 School Road, Wilton, NH 03086.

The Wilton-Lyndeborough School District's core mission is to provide a safe and educational environment that promotes student exploration, critical thinking, and responsible citizenship. To learn more about Wilton-Lyndeborough School District, go to <https://www.sau63.org/>.
