She indicated that she can adjust the format any way we wish to see it and will provide a copy of the excel document to all members for review. Chair Browne tasked Committee Members for the next meeting to bring ideas to focus on for the upcoming budget season. A discussion of the Budget Committee's position, rolls and responsibilities were discussed and RSA 32:16 and 32:17 were referenced. A discussion of unexpended fund balance was discussed along with applying zeroing out a line item. The Committee again reviewed the 18/19 budget and warrant articles and the processes and asked if Committee members were happy how things turned out. There was a discussion of the Full-Day Kindergarten Warrant article and that there was good turnout both for and against the article. Thirty-six kindergarten students have signed up to date and that a second teacher would not be added unless we exceeded 40 students.
