17

18 Leslie Browne stated that the Teachers appreciated the meeting. The Teachers don't have huge
19 budget request. Jon Vanderhoof asked if we get itemized budgets from the Teachers directly.
20 There was discussion as if the Teacher have a \$300 stipend added to their budgets or if that is just
21 what they are allowed to request. There were different interpretations from the discussions at the
22 12/16 meeting. Leslie Browne will follow up to see which is correct.
