SUPERINTENDENT'S REPORT
April 3, 2018

I have been communicating with you and the staff in regard to the calendar for the coming school year. I have a meeting on Tuesday March 27 with staff representatives to discuss their concerns. There will be a presentation in regard to the calendar in tonight's agenda.

I am hoping that we have seen the last of the severe winter weather that would cause a school closure or delay. At this time the last day of school is scheduled for Tuesday June 19. In accordance with minimum standards, the last day of class for the senior class will be Tuesday June 12 with graduation being held on Friday June 15.

Our first Wellness Fair will be held on May 16th to correspond with open enrollment for health insurance. Representatives from Hampshire Hills, Delta Dental, Axe-Advisor Financial Advisors, Duck in a Row Yoga, Reiki Dot Calm, Verizon Wireless, and Cigna will be here for staff with more vendors to come. Thanks to Laura Swim-Gifford for organizing this event.

We have begun posting for positions that we know we will need and that the board has been made aware of. By board policy, all positions must be posted for a minimum of 10 calendar days. At this time, those positions are:

High School Social Studies
Kindergarten Teacher
5th Grade Teacher
Pre-school Teacher
Middle School English
Middle School Science
Earth/Physical Science
Chemistry/Physics
Assistant Principal- WLC

We have received notification that our grant proposal to upgrade our security cameras has been forwarded for approval from the DOE to the Governor and Executive Council. The grant if awarded will be for \$24,000 and we should know by May 5th. Thanks to Kevin Verratti for spearheading this effort.

Nomination lists have been forwarded to me by the principals and are part of tonight's agenda.

I was pleased to participate in Read Across America week reading to Mrs. Tierney's 5th grade class.

I attended the NHSAA Legislative Update part 2, held on Monday March 26 in Concord. I have included a list of the bills being considered by the legislature that deal with education.
