RE: Academic Stipends for FRES

A request has come from Mr. LaRoche to create a stipend for four teachers at FRES who coordinate curriculum in the four major subject areas. Mr. LaRoche estimates that these teachers annually spend about 40 hours in this effort. Using the formula, we use for all stipend positions at \$15 per hour, the stipends would be \$600 each.

This is not budget for but with the lack of a curriculum coordinator to date, the funds could be made up from that budget line.
