Peter Weaver  
Superintendent of Schools

Ned Pratt  
Director of Student Support Services

Kristie LaPlante  
Business Administrator

February 1, 2022

- We want to commend **Buddy** for his tireless effort to maintain our schools, especially this month. At one point in January, 50% of Buddy's staff was out due to illness for several days. Buddy worked long days and weekends to ensure that the work necessary to keep our school facilities clean and safe did not stop.
- We received a correspondence from Kevin Forrest, the **Manchester VA Medical Center** Director, thanking us for items collected and donated to the center. Our FRES students, staff, and Principal Chenette should be commended for their effort and kindness in support of our Veterans.
- Dana Crane, from the Wilton Community Center, extended a huge thank you to **Emily Hall**, WLC Art teacher, for her work and collaboration on the storm water mural project. They also recognized **Greg Lamers**, our FRES Art teacher, for a luminaria his students created for a Main Street event. It's great to see the connections our students and staff are making in our community!
- We want to recognize the tremendous efforts **Deborah Waldo** and **Lynne Stone**, Wilton community members, are making to support our **WLC Cupboard**, which provides our students in need with nonperishable food items, basic hygiene products, and clothing to include winter coats. WLC Cupboard was an idea that **Mandy Kovaliv**, our WLC school counselor, envisioned several years ago. Through her work with local organizations, community members, and fundraising, we are able to support our students' needs in important ways beyond the traditional classroom. Thank you Mandy!
- FYI: Kristie and I are completing a six part program on educational finance through Georgetown University (at no cost to the district).

Thank you to **Don Cole**, Assistant Fire Chief/Health Officer for Lyndeborough, for facilitating our CPR/Basic First Aid training to several of our staff across the district. Feedback was very positive, and we are planning a second session with him this spring.

Thank you,  
Peter Weaver
