**MEMORANDUM**

TO: School Board

FROM: Kristie LaPlante, Business Administrator

DATE: May 17, 2023

SUBJECT: Gym Divider

The Board has heard previous reports of the gym divider at the Middle-High School being inoperable due to electrical issues with the motor. Our Facilities Director has contacted the appropriate vendor who has reported that the motor is no longer being manufactured and is in need of replacement.

The gym divider curtain itself is 23 years old and is nearing its end of life (25 years). Ideally, the gym divider should be replaced now while the equipment and manpower are on site replacing the motor.

We are asking the Board for consideration of spending up to \$15,000 in unspent FY23 funds to commit to this project before June 30, 2023, so that the gym can be better used in the 2023-2024 School Year for classes and athletic practices.
