

RECONSIDERATION OF INSTRUCTIONAL MATERIALS/LIBRARY MATERIALS

Persons not in agreement with the school on its selection of instructional materials and who wish a particular book or instructional material to be reviewed must submit to the Principal a "Request for Reconsideration of Instructional Materials." The request forms are available at the school office.

The Principal, upon receipt of a "Request for Reconsideration" will acknowledge receipt to the complainant and list anticipated steps to be taken. The Principal will then notify the curriculum committee or designee, and schedule meetings necessary to review the complaint and write a report.

The final report will be forwarded to the complainant and the Superintendent of Schools. If the complainant is dissatisfied, the next step is to submit their request to the Superintendent of Schools for action. If the complainant does not accept the Superintendent's decision, the complainant may request a review by the Wilton-Lyndeborough Cooperative School Board, whose decision will be final.

During the investigation, the instructional material will remain in use unless the curriculum committee or designee desires to remove or restrict the book or instructional material until a final decision is made.
