Superintendent Report
February 7, 2023

- We are grateful to **School Specialty supplies** for generously donating a large number of school supplies at an approximate value of \$2, 000.
- We have had four snow days this school year. Pending no additional snow days or unplanned school closings, **our last school day** will be Tuesday, June 20, 2023. Our graduation ceremony is scheduled for Friday, June 9, 2023.
- The month of January has been challenging with the inclement weather. We want to **commend our facility staff** for all of the work they have done to keep our buildings safe and open. A huge *thank you* goes out to the following staff: Robert Erb, Ann Bird, Joshua Morrow, Peter Stephenson, Eric Bouldin, Jacklyn Bird, William Carey, Scott Hasu.
- We also would like to extend our gratitude to our **wonderful food services staff!** Stephanie Barber, Kristi Costello, Donna Garnham, Melodie Jones, and Tammy Smith have stepped up to address some issues that have occurred due to the absence of a food services director, as well as the impact of power outages at our schools. Thank you for all you do 😊
- We want to make you aware that we are in receipt of a new Blodgett ZEPH-100-E full size electric convection **oven** intended for our WLC kitchen. We want to recognize and thank **Tech Transport and Adam Lavallee** for securing this donation for our school.
- We are reviewing the feedback from stakeholders and preparing next steps to fill our **WLC Principal vacancy**. Assistant Principal Katie Gosselin has done a terrific job leading us through this process!
- The **FRES Principal position** will be posted on Friday, February 3, 2023.
- FYI: We are finalizing a date as soon as possible to cut down a very large oak tree that is cracked at LCS. Due to safety concerns, we are keeping our **LCS playground** closed until the tree is removed.

Wilton-Lyndeborough Cooperative School District provides a safe and educational environment that promotes student exploration, critical thinking and responsible citizenship.
