- The Lawson Group will be conducting a **mold/environmental analysis** in two classroom in the MS 1st floor hallway on April 2nd at 3:00 pm. Their report will provide us with a detailed databased overview of the indoor air quality in those classroom spaces.
- Here are the school hours for the 2024-25 school year: FRES/7:40 am to 2:45 pm and WLC/7:55 am to 2:55 pm
- **Current posted positions:** PE long-term substitute (5/13 -6/12), Elementary long-term substitute (5/8 – 6/12), Spanish Teacher, Computer Science Teacher, HS Math Teacher, Elementary Teacher (2)
- Kristie and I attended the **Grants Management System (GMS)** workshops presented by the NH Education Department on March 27. The workshops provided an overview of upcoming changes to the GMS, as well as instruction & information specific to individual grants
- I would like to work with the school board to provide an **orientation training** for the board through the NH School Board Association (NHSBA). It is a good opportunity to learn more about resources available to the school board and individual members, as well as a great opportunity to ask questions. As members, there is no cost for this service. All we need is to provide 2 – 3 dates/times that we would be available as a board for a workshop meeting, preferably in April. Thanks!
- On April 3rd, I will be attending the **Legislative Hearing** on the proposed overhaul of the minimum standards for public school approval in an effort to understand the potential impact these substantial changes may have on our students and schools.
- FYI – **The American Red Cross** will hold a blood drive at the FRES gym on Saturday, April 6th. We are fortunate to be able to support their work!
- The Easter Egg Hunt held on Friday for our LCS students was just pure joy and definitely the highlight of the week for me! Thank you LCS staff for a wonderful activity!
