- 75 You can register your reader at the following link: <https://www.read-thon.com/readers/r/323831373239/>.
- 76 • Second quarter wraps up on January 17th, and learning profiles will go home on January 24th. We are
- 77 officially halfway through the year, and students will be completing mid-year benchmark testing to make
- 78 sure they are on track to meet their goals for this year. Teachers will be meeting to go over data once testing
- 79 is complete to shape their plans for the rest of the year and make sure any weak spots are being reinforced.
- 80 • 4th graders will be going on a field trip this month to the state capitol in Concord to learn more about our
- 81 government and state. This is a yearly trip for them and they have fun seeing how our government works.

- 83 • This Friday the PTO is hosting a Skate Night at FRES in the gym from 5:30pm-7:30pm. The theme is glow
- 84 party, wear “glowy” things or wear white to glow under the lights.

85 Ms. Lavallee commented that she is working on the annual report, looking at data and just being in the schools too,
 86 she wanted to say thank you to the teachers. She can tell the teachers are working hard and it is not just during school
 87 hours, but all the extras you are doing afterschool whether it is for a trip, fund raising etc. and acknowledge the asset
 88 you are. You are making a difference and she can see it. Ms. Kudlich acknowledged it is always wonderful to hear
 89 that and expressed it does mean a lot. Chairman Golding asked regarding the 4th grade trip if they get in touch with
 90 any local representatives before they go to the state house to see if they could give the students a tour and guide them
 91 around. He is sure there is an ex-school board member who would probably enjoy that. Ms. Kudlich responded yes,
 92 she believes they do that and the students interact with the people who work there and do some sort of activity with
 93 them. They may still be looking for chaperones.

94 **ii. Principal’s Report**

95 Principal Fuller gave a shout out to Ms. Kudlich who was monumental getting those activities scheduled and
 96 planned, the Spelling Bee, NHDI and Read-A-Thon. Ms. Lavallee commented she loves the addition of the photos to
 97 the report. She enjoyed attending the holiday concert and loved seeing the new curtains, it makes a significant
 98 difference, it builds community pride and thanks to facilities for taking care of that.

99

100 Principal Ronning reported that Ms. Rosana shared a lot of the same material. He voiced that one of the things that
 101 WLC has set out to do is support the community; they have really supported us. One of the ways that came up is
 102 Baseball Coach Levesque works with Sleep in Heavenly Peace and he wondered if there was a way we could raise
 103 pillows for kids in need. We did a Pillow Drive with the goal of 100 pillows and we raised 168 pillows. He thanked
 104 the community, those who donated, and Coach Levesque who put it together for us. He expressed often during the

105 holidays families can struggle; we had community members, staff, retired staff, the Women’s Club and American
106 Legion family who donated money and gift certificates to our school so we could help families in our community in
107 need. The community really supports us and when they have needs, we want to be there to help. He thanked all those
108 who donated. Last Friday, was the gym dedication to Dave Finch, former teacher, coach and athletic director.
109 Principal Ronning was not able to be present; he was out sick but heard it was quite a moving ceremony. Assistant
110 Principal Gosselin and Linda Draper did a lot of work organizing it and put a lot of work into it. When you look at
111 people who dedicate their lives to education or especially to one community it’s great that we were able to recognize
112 him for what he has done for us. Ms. Lavallee thanked staff for letting her come in to help with the holiday meal and
113 she gave a shout out to the student volunteers that helped with that. It was great to see them in action. She sees the
114 benefit of how that experience has matured them and prepares them for later in life. She thanked the dance team for
115 all the work they did preparing for the Nutcracker; it was disappointing we were not able to see it this year. Principal
116 Ronning informed the group it was rescheduled to January 15. He thanked Ms. Lavallee for helping us. Regarding
117 the Washington, D.C. trip for students, he requested the Board authorize use of unspent funds of up to \$2,600 to use
118 to offset the cost for students as several students have dropped out and it raised the cost to those going. The original
119 cost to students was \$1,115 and since then it has increased by \$155 costing \$1,270 due to several students not being
120 able to go. He is asking the Board to approve this so that students going would pay the original cost and not have to
121 absorb the cost of the other students who are not going. He would really hate to ask families to come up with the
122 additional funds, it may result in additional students not going and that would have a ripple effect. He is hoping to be
123 able to use unspent from the end of the year. A question was raised how he would use it. He confirms it is to defer
124 the cost to those students who are going. We had to lock in the price and then had students drop out; we still have to
125 pay that original amount regardless. He prefers not to put that additional onto the students. Ms. Foss voiced she
126 would be supportive to this and understands sometimes people have to drop out and it is already an expensive trip. A
127 question was raised if a plea has been put out to see if any other students want to take their place. Principal Ronning
128 explains we had already opened it up to additional grades and now is open to grades 9-12 and no other students have
129 come forward. He was asked what his plan is if the Board does not authorize it. Principal Ronning indicated if he had
130 to pay it out of pocket, he would and could go to the community etc. but his first step is to ask the Board. Ms.
131 Anzalone recused herself from the vote as her son is going on the trip.

132
133 *A MOTION was made by Ms. Cloutier-Cabral and SECONDED by Ms. Foss to use \$2,600 in unspent funds for the*
134 *Washington, D.C. trip.*

135
136 Mr. Lavoie asked Ms. LaPlante if this is possible, if she is ok with it and if she thinks it is a good idea. She asks the
137 Board to rephrase the term unspent funds as that is what we typically use later. She had spoken with Principal
138 Ronning asking if we could allocate any funds toward it. She then spoke with Superintendent Weaver regarding this
139 and we were not comfortable without the Board’s feedback because it is funding for a trip we would not otherwise
140 fund, we don’t want to set precedence. She would be looking for the Board to approve overspending the existing line
141 so we can get students on the trip without further impacting them financially, not necessarily “unspent funds” but
142 authorization to overrun the line.

143
144 *Ms. Cloutier-Cabral AMMENDS her MOTION to authorize overspending the line up to the amount of \$2,600 to be*
145 *used for the Washington, D.C. trip, Ms. Foss SECONDS.*

146
147 A question was raised how many students are going. Principal Ronning confirms he does not have the number of
148 students going with him at this time.

149
150 *Voting: all aye; motion carried.*

151
152 **VII. BOARD BUDGET/WARRANT DISCUSSION**

153 Chairman Golding questioned if there has been any movement at all on the warrant articles. Ms. LaPlante confirms
154 there has not been any formal movement. We have been looking at the budget to see what we can trim here and there
155 and will present to the Budget Committee a budget with an increase of about 4.15% next Tuesday when they meet.
156 Chairman Golding asked the members if there are any questions or anything we have not discussed, none heard.

X. PUBLIC COMMENTS

The public comment section of the agenda was read. Superintendent called out all the phone numbers and names joined in the meeting asking if they wanted to comment.

Ms. Mary Golding voiced the NH Dance Institute, Read-A-Thon and Spelling Bee, so exciting, there is so much going on. Even though she does agree with our amazing business administrator about not spending unspent funds on field trips because it does set a precedent, she was one of those popcorn purchasers for the fundraiser for the Europe trip and is more than willing to participate and contribute to any fundraiser for the D.C. trip. Coach Levesque, great man, she actually knows him personally. He is a wonderful human. She loved hearing that (Pillow Drive) because she knows our community, it is so supportive of our schools, our children and our neighbors. Please know you are all appreciated regardless of the keyboard warriors out there, there a few of them. The staff and the school board; lets' just remember that school board members are all volunteers and put in so much time that it could be a full time job plus they have full time jobs. The teachers, they spend so much time doing additional things volunteering. It is not 9-5 and wants you all to know you are so appreciated; this community loves you, thank you all so much.

XI. SCHOOL BOARD MEMBER COMMENTS

Ms. Cloutier-Cabral congratulated Mr. Finch and is so glad our beautiful gym is going to be something that honors him and remembers him for his wonderful service. Our Starfish Awards are always a highlight of every meeting. Whenever she hears the nominations, she wonders how you pick someone because everybody is so strong and such a star. Ms. MacPherson is really exceptional and so is everybody else on this list.

Ms. Foss echoes all the kudos said.

Ms. Alley congratulated the nominees and the Starfish Award winner. Ms. Rosana and Ms. Kudlich, thank you for coming and representing here at the school board meeting. That dance program, NHDI, she was at another district that did something like that and the kids loved it and were so excited about it. Thank you to those doing the Pillow Drive, it is amazing that you got so many pillows and for the Policy Committee and Facilities Committee for all their hard work.

Chairman Golding reminded the public that the district office would start accepting declaration for candidacy starting January 22, 2025 for School Board and Budget Committee positions; if you feel you have something to offer please go and sign up.
