

EBBB - ACCIDENT REPORTS

In the event of an accident on school grounds, the school district employee who witnessed or first responded to the accident must fill out an accident form within 24 hours of the accident. Such form must then be filed with the Principal.

If the accident involves the services of a physician and/or is likely to result in an insurance claim, two accident reports are to be prepared: one copy filed at the school office and one copy given to the District's insurance agent. If the incident is not one involving a physician and is unlikely to be an insurance case, it will be sufficient to prepare one copy to be filed at the school.

The procedures for accidents and accident reporting are to be reviewed in September by the Principal in association with school district staff of each school.
