

FBB - ENROLLMENT PROJECTIONS

Enrollment projections will be prepared on a 5-year basis under the direction of the Superintendent and will be reviewed annually.

The projections will take into consideration the following:

1. Figures from the latest school census.
2. School registration figures.
3. Review of forthcoming changes in town planning and zoning.
4. Review of current and planned community land development and housing.

Whenever construction of new school facilities or the closing of any school buildings is being contemplated, the Wilton-Lyndeborough Cooperative School Board may authorize outside studies made of population trends and school enrollment.
