

## **JFAB ADMISSION OF TUITION AND NON-RESIDENT STUDENTS**

Non-resident students may attend district schools when their attendance has been approved by the Board. Tuition will be charged at a rate set by the Wilton-Lyndeborough Cooperative School Board and billed quarterly in advance to the sending district or parent responsible for payment. When a sending district is responsible for tuition, approval must be received from the sending district school board.

Under normal circumstances, the district will not provide transportation to and from school for non-resident and tuition students at district expense. However, the district may assist parents in finding and procuring transportation services for their children.

The Wilton-Lyndeborough Cooperative School District may enter into a contract with other towns allowing students from said district to come to schools in the Wilton-Lyndeborough Cooperative School District. Tuition rates will be bargained by the school board from the sending district and the Wilton-Lyndeborough Cooperative School District's Board. Prior to final approval of the contract, a public hearing must be held in order for the community to add their input. If the contract is approved, the sending town will not be considered a member of the Wilton-Lyndeborough Cooperative School District. The sending town may have an advisory member on the board but they will not have voting power.
