We are so proud of our student's hard work these past few weeks. They have been putting in the work and that has shown on the NH SAS testing. Testing continues in these following weeks, keep up the good work!

Along with testing, students engaged in the NNDI performance on Wednesday night at FRES. Their hard work and dedication was on full display for family and friends. We cannot thank the NNDI representatives enough, thank you Lisa and Lauren! We welcome you back anytime!

The Spelling Bee also took place at FRES on Thursday. The Spelling Bee winner was Sage Trudeau! Congratulations Sage and we wish you all the best of luck in continuing the wins in the Spelling Bee challenge.

LYNDEBOROUGH CENTRAL NEWSLETTER

What is
new at
LCS?

This week at LCS, all students completed the iReady reading diagnostic. Your child's iReady results will be going home to families in February. Second quarter report cards went home today with your child. Please reach out to your child's teacher with any concerns or questions. On Wednesday, we went over to FRES for a dress rehearsal. Students were rocking in their dancing shoes! It was a great performance that NHDI and the students put on. Next week, we will have a visit from the JA Tarbell library for storytime. Please make sure your child comes to school with all their winter gear! We hope you have a great weekend!!

SPECIAL EDUCATION RELATED SERVICES

The Special Education Team continues to work every day, assisting students who need intervention in reading, math, and writing. The team also consists of our wonderful related services too! The speech pathologist, Veronica Watson; occupational therapists, Kristen Douglass and Christine Logan; and physical therapist, Jessica Leland, work with the special education case managers as well as the paraeducators to ensure that our students receive services in all areas of need. These individuals attend meetings and keep in constant contact with the case managers, to develop a plan that best works for each individual student. The FRES & LCS special educators are very lucky to have these wonderful, caring people as part of the team.
