Dear Warriors Community,   July 15, 2024

I am so excited to introduce myself as the new Athletic Director of Wilton-Lyndeborough Cooperative Middle High School. To start with a little background, I played Division I lacrosse at Iona University for four years while I took classes for my Bachelors Degree in Education. I then had the opportunity to continue my life in the collegiate lacrosse world as an assistant coach for Merrimack College, where I received a Masters Degree in Education. I have grown up balancing the life of a student athlete and understand all the challenges and achievements that come with the privilege of wearing a school's name on your jersey.

With this being said, I am excited to be a resource for our student athletes so they may thrive both academically and athletically. My primary goal is to ensure that our athletics program continues to uphold high standards regarding achievement in the classroom, good communication, integrity and respect towards others at all times. Secondly, I am committed to supporting each student athlete to achieve their goals, both in and out of their sport(s). Open communication and collaboration will be essential as we work together to build our programs.

I am excited to meet and get to know each athlete personally and am confident that together we can elevate Warriors athletics to new heights of success. Thank you for your dedication and commitment to our student-athletes, and I look forward to a successful year filled with excellence as your Athletic Director.

Attached you will find initial information regarding the fall season.

Please do not hesitate to reach out to me with any questions. Go Warriors!

Thank You,

Amber Brewster; M.Ed.
