Dear Warriors Community,

I am pleased to be writing the first weekly letter of the year. Every Friday, you will receive a letter regarding athletics highlights, student athlete of the week, etc regarding the previous week. In these letters, you will also find events to look forward to, as well as reminders and important information ensuring that our student athletes and community as a whole are ready to go.

Some reminders; if you have not already done so, we ask that parents create an account on Final Forms, as well as students so that all necessary forms are signed and submitted, including updated physicals for the year. If the student athlete's last physical was before 8/20/23, please schedule an appointment with your doctor so that they are eligible to participate in school sports.
