Essay Submission

Please explain why your CTE program was meaningful to you and how it has prepared you for your future career. In five years, where do you see yourself in your career and what further study, training or experience will be required to get you to this professional level of practice. If your plan includes some career study at a trade school, apprenticeship, community college, college/university or military training please include this in your answer.

Thank you for completing our application. Deadline for consideration is April 1. This is firm.

Please email your application, resume & letters of recommendation to:
