

## **The Wilton House of Pizza “Slice of Life” Scholarship**

The Wilton House of Pizza would like to support WLC students who take an interest in small business and entrepreneurship. This scholarship is open to all seniors with that interest in mind. As employers of many students from WLC and long standing members of the community, we want students to know that the aspects of business are very important to a prosperous life whether or not you enter that field.

Name of Applicant: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_
