This week at FRES:

Monday we held Parent/Teacher Conferences at FRES and we were delighted at the turn out. So many parents took time out of their busy schedules to make a visit to their child's teacher and discuss how their child is progressing. If you were unable to attend please reach out to your child's teacher to reschedule.

Several items from the Lost and Found were reclaimed by their rightful owners. Thank you to all who took a second to glance over the tables.

Next, week we will announce the winner to the **Turkey in Disguise Contest** from the First Grade.

A reminder that we will be hosting our annual Turkey Trot on Tuesday, November 21st at 1pm. Remind your child to wear sneakers and have a water bottle available.

First Graders created an AGAMOGRAPH which is an image that changes when you look at it from different angles.

GREETINGS FROM THE RISE PROGRAM!

We are your ABA and RBT specialists that help many students with their social and emotional needs. We teach lots of things including grade specific curriculum, student centric academic support, IEP goals that we convert into lots of different programs, and assist our case managers, speech pathologists, occupational therapists and physical therapists with carry over programs for each of our students. We work collaboratively with classroom teachers, parents and your students to provide extra support for our school community! The best part of being a part of the RISE Program, is working with so many WONDERFUL students, and participating with and encouraging social, emotional, and academic growth! ***Happy Holidays from the RISE Program!***

RECESS/EVENT INFO.

As the weather gets colder we are asking students to dress appropriately. Hats/gloves and warm jackets on these cold days are required. Dare we mention "Snow" - remember the saying "*Dressed head to toe to play in the snow*". Please label your students hats/gloves/boots and even jackets with their name on the tags in order to be able to quickly return the items if they become misplaced.

If you need assistance with any of these items please reach out to the front office and your request will be handled discreetly (603) 732-9229.

Information:

School events are approaching and we kindly request that you take a moment and read with your student our school policy and review the code of conduct. Further information can be found on our district webpage under School Board Policy JIC-Student Conduct.

- The Wilton Lyndeborough Cooperative School Board is committed to promoting a safe, healthy, orderly and supportive school and learning environment. To achieve that for all, it is important for students to conduct themselves in a manner fitting to their age level and maturity, and with respect and consideration of other students, District personnel and other members of the community. Students are expected and required to maintain appropriate behavior that allows teachers and staff to perform their professional duties effectively and without disruption while on School District property or on property within the jurisdiction of the School District (including vehicles); and/or while attending or engaged in school activities.
- Expectations for student conduct and standards of behavior shall be communicated through written Board policies, as well as District and/or school rules. Those policies and rules are included in the Code of Conduct section of the official Parent/Student Handbook for each school.
- Student conduct that causes material or substantial disruption to the school environment, interferes with the rights of others, presents a threat to the health and safety of students, employees, or visitors, and/or violates the Code of Conduct, or classroom rules is prohibited. Response to violations of the Code of Conduct, however, should be designed to maximize student academic, emotional, and social success, while at the same time assuring safety of all students, staff and school visitors. With this objective, the Board endorses adoption of a Multi-Tiered System of Support for Behavioral Health and Wellness ("MTSS-B") as the framework for the Code of Conduct. District personnel who interact with students are expected to utilize progressive disciplinary measures, and to place emphasis on educating students so they may grow in self-discipline. Suspensions and expulsions shall be administered consistent with the applicable Code of Conduct and Board policy JICD.
