WHAT'S
NEW?

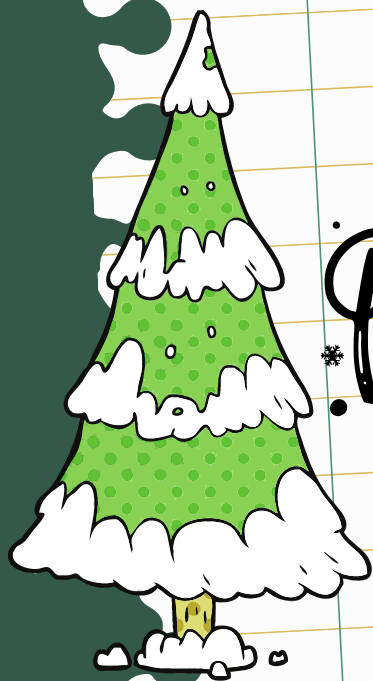

This week
at
FRES

This week at FRES we continue to strive for learning habits in the classroom which encompasses CARES- cooperation, assertion, responsibility, empathy, and self-control. Students are genuinely kind and considerate to each other and staff throughout the day which we fully embrace and enjoy seeing.

We would like to remind parents and guardians alike that we are always looking for subs throughout the year. If you would like to join our team, once a week, or once a month, or even once a year we would love for you to sign up! Contact the SAU office and fill out an application to join today.

With that being said 'tis the season for sniffles and coughs. Remind your child to always wash their hands and to cover their mouths when coughing. Our amazing custodians are always cleaning and disinfecting but they need everyone's support to contain the germs.

We plan on continuing the tradition of walking to the town hall theater and watching a Holiday movie on Thursday, December 21st! More information and permission slips will be sent home in the next few days. Have a great weekend.

HELLO!
December

Wednesday, December 13th @ 6pm
3rd-5th Graders should arrive
between 5:45 - 5:55pm**

THIS WEEK AT LYNDEBOROUGH CENTRAL SCHOOL

What a FANTASTIC week we have had here at LCS!!! Mrs. MacPherson's Class painted holiday trees while Ms. DiFilippo's Class wrote about what it would be like to live in an igloo!! Ms. Rourke's Class played the greater/less than number hop game and they also made snow globe ornaments!! Just a reminder that we go outside everyday if the "feels like" temperature is 15 degrees or above. Please make sure your student is dressed appropriately to play outside. This includes a winter hat, mittens, winter coat, (and boots and snow pants when the snow comes)! Have a wonderful weekend!!!

GUIDANCE

Hello FRES and LCS families!

There are a lot of amazing things happening at FRES and LCS! FRES students have been enjoying their weekly lunch groups, individual and group counseling sessions, and class guidance lessons. I'm genuinely impressed with the kindness, empathy, and motivation I've seen from FRES and LCS students. I'm also incredibly thankful for the support and sense of community I've felt from parents and guardians. Students are sliding into 2024 with more confidence, self-acceptance, self-advocacy, and social skills. Always feel free to reach out! I'm here to help the best I can.

With gratitude,
Samuel Metivier
FRES-LCS School Counselor
